Dear HRS Parents/Guardians,

We are looking for students with the desire to serve in the School Safety Patrol. Safety Patrol is voluntary and open to all interested students in grades 5 through 8. Duties require a short amount of time each day. Members are selected for their courtesy, dependability, interest in the job, and attitude towards others.

The primary aim of the Safety Patrol is:

- To help children safely exit their car and enter the school
- To help children exit the school safely during dismissal
- To foster qualities of leadership and good citizenship in patrol members

As leaders in the building, a good discipline record and academics are important. Therefore students who serve on safety patrol are required to always show responsibility, spirituality, and respect to their peers, teachers, and community members.

Patrols should be on time during their scheduled shift, or inform the substitute and Ms. Hammel if they are unable to fulfill a shift. If a student has a morning shift we would like him/her to arrive around **7:40 am** so that they are able to help with most of the arrival process. Students will also be asked to attend a monthly meeting during recess to discuss safety procedures and protocols.

Please consider the weather of the day your child is on patrol. Often it is chilly in the mornings so a jacket or sweater should be on hand. In the winter months hats, gloves, and scarves should be worn. If there is a light rain or drizzle, students can use the school rain ponchos. Patrols will not come out in heavy rain and thunderstorms.

If your child is interested in applying to serve as a School Safety Patrol, please complete the attached application and send it in by September 6, 2023. Thank you for your support.

God Bless,

Ms. Hammel
