## Social Outreach Corner

"If you want peace, work for justice" **Pope Paul VI**

On October 6, Pope Francis opened the Special Assembly of the Synod of Bishops for the Pan-Amazonian Region. During this Synod, we are reminded of one of the Catholic Social Teachings: *Caring For God's Creation*. October 4 was the Feast of St. Francis. Here is what the Pope says about his Patron Saint.

"Saint Francis of Assisi bears witness to the need to *respect all that God has created* and as he created it, without manipulating and destroying creation; rather to help it grow, to become more beautiful and more like what God created it to be. And above all, Saint Francis witnesses to respect for everyone, he testifies that each of us is called to protect our neighbor, that the human person is at the center of creation, at the place where God – our creator – willed that we should be. Not at the mercy of the idols we have created!" (10/4/13, Assisi)
