A Prayer for Mothers

All-loving God, we give you thanks and praise for mothers young and old. We pray for young mothers, who give life and count toes and tend to our every need; May they be blessed with patience and tenderness to care for their families and themselves with great joy.

We pray for our own mothers who have nurtured and cared for us; May they continue to guide us in strong and gentle ways.

We remember mothers who are separated from their children because of war, poverty, or conflict; May they feel the loving embrace of our God who wipes every tear away.

We pray for women who are not mothers but still love and shape us with motherly care and compassion.

We remember mothers, grandmothers, and great-grandmothers who are no longer with us but who live forever in our memory and nourish us with their love.

Amen.

Help for international and refugee students at WSU. The Sacred Heart pastoral council and the staff have had reports about international graduate students at WSU who do not receive enough money to support their families. The problem is worse now with higher rents. If you would like to donate, use the QR code for a link to the WSU IP Refugee and Immigrant Support Fund.

Dear Sacred Heart Church parishioners,

On behalf of the Pullman Schools Pantry Program, thank you for your continued support of our efforts; most recently with the donation of \$362.95 we received. With each bit of support we continue to be able to meet the needs of the families and children of our community; something we know you also feel a strong commitment to. For this we remain extremely grateful.

As you know, we are often touched by the interest and continued support of Pullman School Pantry Program—way beyond the difficulties faced in our community over the most recent challenging years. We were proud to be able to provide 360 bags per week for children throughout our district during the height of school closures—something that offered a sense of continuity and comfort to students and their families and after which we have continued to accommodate as needed. In addition, our development of the food rescue program in conjunction with local businesses, has enable us to provide meals to 60+ families in need on an ongoing basis. As we are completely volunteer run, contributions such as yours are an integral part of our success. Thank you for being part of our continued efforts.

With deep gratitude, *Hillary Gauthier*
