Guatemala Mission News

The Guatemala Commission received a report from **Lourdes Tzoc Ramirez**, director of the radio station **Nawal Estereo** in Nahualá. The six person radio staff continues to broadcast 18 hours each day of the week, both remotely and in the radio station on a range of topics with many interviews and live broadcasts. They remodeled one of the broadcasting booths. They also completed adding a third floor to the radio station – a project funded by a generous donation. What was just going to be a roof to protect from the rain turned out to be a complete full floor, which they are using as a place for the community to meet and host various functions. They are delighted to be able to complete these projects!

Pictured is a remote broadcast and interview of a woman who is a leader in her community.

Thank you to the people of **Sacred Heart Church** for your continued support of the radio station. It is a significant part of the wide communities of Ixtahuacan and Nahuala, broadcasting to over 1.5 million people.
