We baptize people into the Church at Easter. The central symbol of baptism is water, which is cleansing and life-giving.

For Lent and Easter, we are going to give people **the gift of clean water**. A handwashing station costs \$30, a family handwashing kit \$45, a water pump \$235, and a community watering station costs \$1300. In what ways can you provide communities with the water of life?

Headphones - if you have trouble hearing the Mass, we have four FM radio headsets that pick up the signal we broadcast. You can take one from the rack at the back of the church, and return it when you leave.

We livestream the 4:30 pm Saturday Mass & daily Mass

Paying it Forward as a Lead Mother in

Nigeria: In Nigeria, over 25 million people are experiencing extreme food insecurity due to climate change, poverty and conflict. Because of violence in their hometown, Amina and her family were forced to flee and start life over again in a new village. Learn how Amina's participation in a Catholic Relief Services program helped her prepare nutritious meals for her family and support other families in her community to overcome the challenges of hunger and malnutrition. January 30, 2025

Dear Friends & Fr. Steve,

Many thanks for your generosity! This last year at Community Action Center was filled with challenges and opportunities—and folks like you helped us face these together! Many of our neighbors struggled to pay for food or housing for the first time in their lives, while others needed assistance in *other* areas—help with power bills, water bills, or even clothing for family members.

The demand for food and housing supports continued to grow in the community—so gifts of support like yours meant your neighbors continued to receive critical services from Community Action Center. Your giving has made a difference in the lives of *many* in the community! Your 2024 cumulative giving to CAC: \$3,098.91 from four contributions in 2024.

Your giving helps community member to reach their full potential, and to make our community a better place to live. Your continued partnership is valued as we face the challenges of 2025 together.

Thanks so much!

Jeff Guyett, Executive Director
