Protecting Crops from Natural

Disasters in Bangladesh: Shahadat's

village, and much of Bangladesh, is located on flat lowlands. The intense rainy season causes flooding that often destroys farms and crops. Find out how Shahadat learned new farming skills from a Catholic Relief Services program that enabled him to increase the yield of his vegetable crops despite the challenges of climate change. Dear Friends,

Many thanks for your generosity!

Thanks for your generous gift of \$2,525.55 we received at Community Action Center on 2/18/2025.

Your gift is a direct investment in the community and used as directed.

Financial support of Community Action Center helps build community and fight poverty, and we are very grateful to have you partner with us. Your giving helps community members to fully reach their potential, and makes our community a better place to live.

In community, *Jeff Guyett*, Executive Director

Each year Bishop Daly invites the faithful in our diocese to support the work and service of priests, religious and lay leaders who serve the world's most vulnerable communities. Mission is at the heart of our Catholic faith, and our annual **World Missions Collection** joins our diocese and all Catholics of the world together as one community of faith to give generously to aid the Church worldwide. Please use the envelopes that you receive in the mail to make your contribution to the World Missions Collection. Online donations may be made at: dioceseofspokane.org/wmc.
