- I. VBS Update (Information - Anna)** - VBS for this summer at Concordia Lutheran has about 35 children signed up to attend. A handful of those children are from Sacred Heart. Keep the information included in the Mass announcements.
- II. DRE Hiring Update (Information - Anna)** - An interview will be held this Thursday, June 9 at 4:15pm in the Social Hall.
- III. Final Faith Formation Report (Information - Theresa)** - Congratulations to Josiah on his Confirmation and First Eucharist on Pentecost Sunday. It was a wonderful celebration. We had Sacrament Mass on May 14 and had a college student and a fifth grader from Colton receive Confirmation along with 13 children from our parish. The children were so enthusiastic and well prepared.
- IV. Youth Group Report (Information - Linea)** - Our regular meetings are finished for the summer. She would like to hike Kamiak with the youth either this Saturday or the following weekend, but has only received one response so far. Unless there's a little more interest in the next few days, she may just wait until fall to do another hike. Middle school camp is full! 90 kids are registered and there are currently three more on the waitlist. We need more high school and adult helpers so we are working on recruitment. Linea is still hoping to take some high schoolers to Steubenville NW, but interest seems to have dropped. It's a little disappointing since the conference is a great experience, but there is always next year. L, Kat and Tammy discussed the phenomenon that has occurred with teens and young adults due to COVID. They are seeing very disengaged students who stay within their bubbles. Having a challenging time getting them re-engaged with activities.
- V. Vice President Position (Discussion - Anna)** - Jane!!! Thank you for your willingness to serve in this role!
- VI. Lentil Fest (Information - Anna)** - Dave is planning to work on Lentil Fest starting later in June.
- VII. Father's Colton HS Story** - Father Steve conducted a Baccalaureate service for Colton HS at St. Gall last week. One of the students there spoke with him following the service and told him she was baptized and received Confirmation and First Communion from him years ago. 18 years ago, Father Steve said Mass in Colton with a baptism of a baby and then about 10 years ago he presided at the Sacrament Mass in Colton on behalf of the Bishop. Both of those Masses included the same girl who attended at the Baccalaureate Mass! :)

**Closing Prayer:** Anna Park
