Each Student Matters, Every Moment Counts, Christ in the Center

IMPORTANT

Please notify the school office, not the classroom teacher, for any changes in pickups, appointments, or absences. The secretary will notify the teacher. Call 715-748-3336 ext.221 or email schoolsecretary@hrmedford.org. Thank you!

Our Holy Rosary School Parent Pack set up this wonderful photo booth for parents to use the first week of school. We are so thankful for this group of parents. They do so many extra things for our students and staff throughout the year. Please consider joining their monthly meetings and volunteering when needed. The first Parent Pack meeting will be this Tuesday, September 16 from 6:30-7:30 in the school commons. Hope to see you there.

Music is a Gift from God! -Meet Mrs. Jablonsky

I am excited to teach and praise God through music at Holy Rosary School. I have been playing for Mass since I was 7 years old. I hope to bring more music to our school masses through singing and playing instruments.

Mrs. Jablonsky

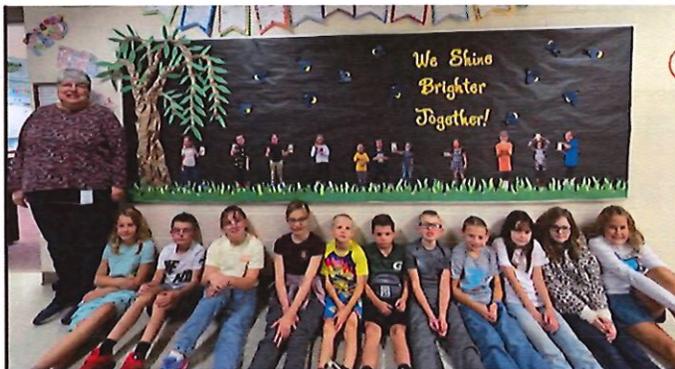

Students in grades 3-6 had the opportunity to sign up for the Holy Rosary School Choir. It is under the direction of Mrs. Cassandra Jablonsky. They did amazing at their first Mass this week. If your child didn't sign up but still wants to, reach out to Mrs. Jablonsky.

What is Circle of Grace?

The program's core concept is the 'Circle of Grace', a representation of God's love and presence surrounding each individual. Every year we teach lessons on creating a Circle of Grace. These lessons aim to equip our children by giving them the essential knowledge and skills grounded in the richness of faith. This curriculum helps children understand that we are all children of God. We are grateful to Bishop Powers for helping us implement this program for our children. These lessons are taught in the classroom or at home by parents.

We are always thankful for all of our school families and all they do for our school. Over the summer, we had a family volunteer to sand and repaint our preschool hallway benches. They turned out amazing! Thank you Beck family!

Mrs. Beyer and her Fabulous Fourth Graders! This is the first year that students begin switching classrooms and teachers for science, writing & grammar, as well as social studies. They are enjoying some time outside learning through movement with The Walking Classroom. This is a program where kids listen to standards-aligned educational podcasts while walking- they walk, listen, and learn.

These students completed Mrs. Easterly's summer reading challenge and turned their completed sheets in on the first day of school. Way to go kiddos!

There is interest in gathering a group to plan parent/family activities for all 4 parishes. If you are interested in being a part of this planning, please contact the parish office.
