Each Student Matters, Every Moment Counts, Christ in the Center

Mrs. Weis, Kindergarten teacher

The Kinderstars had their class Christmas party and in lieu of a classmate gift exchange they collected birthday and household supplies to be donated to Stepping Stones. Fr. Casimir Cypher, an alumni of our school, is our class' role model to do something kind for others in our community. Because Kindergarten students so enjoy celebrating birthdays we also colored birthday cards that included a special Fr. Casimir prayer and a short biography.
