Letter From the Principal

Mr. Jack Richards
Principal, Saint Mary Academy

Dear Interested Families,

Welcome to Saint Mary Academy, where faith, learning, and community come together to nurture the whole child. It is my joy and privilege to serve as principal of this vibrant Catholic school, where Christ is at the center of all we do.

At Saint Mary Academy, we are committed to providing a high-quality education rooted in the teachings of the Gospel. Our dedicated faculty and staff strive each day to foster academic excellence, spiritual growth, and moral responsibility in every student. We believe that each child is a unique gift from God, and we work in partnership with families to help our students develop their God-given talents and grow into compassionate, confident leaders.

Our curriculum is designed not only to challenge the mind but also to inspire the heart. With a strong focus on service, character formation, and community involvement, we help students understand the importance of living their faith in meaningful and impactful ways.

As you get to know us and this beautiful campus, I hope you get a sense of the warmth, spirit, and excellence that define Saint Mary Academy. If you have additional questions, please contact me personally, Mr. Jack Richards at 502-315-2555 or email jack.richards@saintmaryacademy.com. Please also visit our website at www.stb2008.org.

Thank you for your interest in Saint Mary Academy. May God continue to bless you and your family.

Jack Richards
Principal
Saint Mary Academy

About Our School

Our Mission

The mission of Saint Mary Academy is to educate students spiritually, academically, emotionally, and socially through a curriculum rooted in the Roman Catholic faith. Students are educated in a manner that fosters academic excellence, provides a supportive atmosphere, and develops students to be responsible, moral members of their church and community.

Our Vision

Saint Mary Academy is a school where each child's academic, spiritual, and emotional needs are met at the highest level possible. In partnership with parents, Faculty, and Administrators support students in their academic efforts and model Christian behavior and values each day.

Students feel safe emotionally and physically and are encouraged to develop creative expression and pursue individual talents. Saint Mary Academy maintains a model Catholic community that encourages each member to grow toward fulfillment as a total person and a child of God.

Faith Formation

Weekly School Mass

Sacraments

Lenten & Advent Reconciliation

Daily Prayer

5th and 8th grade students take the ACRE assessment in the spring, this assessment is designed to assist in the evaluation of religious education programs for continuous improvement

Academic Excellence

In 2025, Saint Mary Academy was nationally recognized as a Model PLC at Work® school through Solution Tree. This significant achievement reflects Saint Mary Academy's unwavering commitment to professional learning communities (PLCs) and continuous improvement in student learning. This designation is awarded to schools that demonstrate exceptional practices in building and sustaining a collaborative culture, a focus on learning and results, and a commitment to continuous improvement.

"My family chose Saint Mary Academy [for our two sons] because we were looking for a vibrant culture and a school that could meet the unique needs of our children. We found that at SMA. When finding a school that valued each student's unique skill set, we were looking for two very different environments for our sons. We needed one to be accelerated, pushed, and challenged. For the other son, we needed an environment that supported his road to mastery. We found both at SMA which is unique. We have seen huge growth in them both and we find the teachers are willing to find ways to meet their needs."

Clubs & Activities

*Created with purpose.
Growing in talent.*

American Sign Language (Grades 3-5) - The American Sign Language (ASL) Club is a welcoming and inclusive space for students interested in learning and practicing ASL while gaining a deeper understanding of Deaf culture and celebrate the beauty of visual language.

Archery (Grades 4-8) - Students learn the art of shooting and compete in 1-2 state tournaments.

Book Bee (Grades 3-8) - An academic competition where students read from a selection of books and then participate in a quiz-style competition.

Book Club (JK-2) - A small group of students who explore and discuss books together, fostering a love for reading and improving comprehension skills.

Buddy Program (PreS-1st & 6-8) - The purpose of the Buddy Program is to build community, support students in building stronger social emotional skills, and develop positive peer interactions. Older students act as role models and helpers to our younger students.

Chess Club (Grades K-8) - A group of students who come together to play and learn about chess. Whether a beginner or an experienced player, chess club offers opportunities to learn new strategies and improve your game.

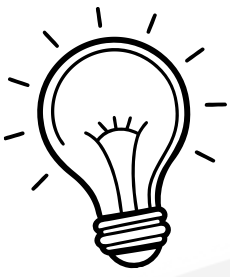

Choir (Grades JK-8) - Students in grades JK-3 develop the skills to prepare for singing in the 4-8th grade church choir during school liturgies.

Crafting Emporium (Grades 2-8) - A creative space where students can learn and practice the art of crocheting while building community and sharing Christ's love through handmade projects.

Drama (Grades K-8) - Invites students to explore their God-given creativity and talents through the performing arts. Whether on stage or behind the scenes, members grow in confidence, collaboration, and communication while bringing stories to life.

Fellowship of Christian Athletes (2nd grade) - Students participate in this international organization that helps athletes unite faith and athletics, and grow their relationship with Jesus Christ.

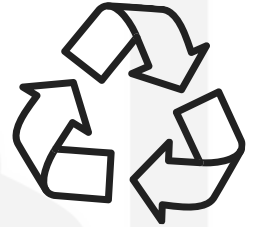

Clubs & Activities

Governor's Cup/Quick Recall (Grades 4-8) - Students compete against other schools in an academic quiz bowl competition. Questions are divided into categories such as math, science, social studies, spelling, Arts & Humanities, and language arts.

Green Club - Students are dedicated to promoting environmental awareness and sustainability within our school or community and engage in activities aimed at reducing environmental impact.

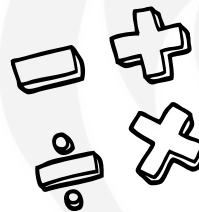

Homework Help (Grades 4-8) - Offers student support after school with assignments, organization, and time management.

Lego Club (Grades 1-3) - A fun, imaginative space where students come together to build, create, and explore using LEGO bricks. This club encourages teamwork, problem solving & creativity.

KYA (Grades 6-8) - A youth government program that provides hands-on experience in the executive, legislative, and judicial branches of Kentucky's state government.

KUNA (Grades 6-8) - A youth government program that focuses on international issues and diplomacy. Students participate directly in simulated international diplomacy and gain a greater appreciation for the global community.

Math Lab (Grades 4-8) - Students receive math support before or after school to support essential math skills.

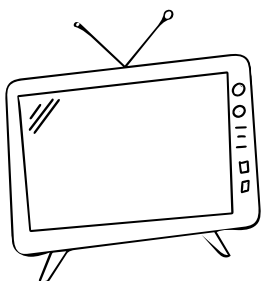

Music Lessons (Grades 3-5) - Take your musical skills to the next level with private lessons offered right after school, taught by a professional music instructor! (Piano, voice, & a variety of instruments)

Scouts (Grades K-8) - Tiger, Cub, and Boy Scouts and Daisies, Brownies, and Girl Scouts.

Service Learning (Grades JK-8) - All students at SMA engage in community service projects, grounded in our call to love and serve others as Christ taught us.

Morning News (8th grade) - Students produce & develop a daily news broadcast for all classrooms.

...and
more!

Middle School House Program

The middle school House program is designed to energize our students, promote school spirit, build unity, increase student involvement, build peer connections, and strengthen teacher-student relationships.

Sixth, seventh, and eighth-grade students are divided into ten mixed-level Houses named after a Saint. One teacher mentor oversees each House. The Houses remain the same throughout the entirety of each students' middle school experience.

House points are earned throughout the year by participating in named school events, fulfilling morning carpool duty, and House competitions.

At the end of the school year, the winning House earns a special field trip and the rights to the House Cup for the year!

SMA	SMA	SMA	SMA	SMA	SMA	SMA	SMA	SMA	SMA

Why Saint Mary Academy?

SMA Parents Juan Messier & Lucy De La Vega

We absolutely love being part of the Saint Mary Academy community. We joined when our now 7th grader started preschool, and we've proudly been here for 10 years! Every day, we know our children are loved, cared for, and supported by their teachers and the amazing staff. They are constantly encouraged to be their best selves, to explore and develop their unique talents, all while learning what it means to be disciples of God—through the sacraments, but also through their daily actions. We are so grateful for the positive, faith-filled environment that Saint Mary Academy provides.

SMA Parents Dan & Wendy Block

Relocating to Louisville 8 years ago, we were open to all options, public and private education, with our children's best interests in mind. In the end, we wanted to ensure a healthy, challenging, student-centered environment which fosters academic excellence, a community of collaboration and respect, character development, a moral compass, and productive citizenship for their future development. More importantly, we desired an environment of intentional discipleship and faith formation in reflection of our Catholic faith. All of these characteristics were found and proven positive through our continued experience at Saint Mary Academy.

We have been honored to have 3 of our children call Saint Mary Academy home. Each of them, 2 boys and a girl, quickly found their place socially, academically, and spiritually through the vast offering of athletics, challenging curriculum, the community "House System", vibrant and responsive advisors, church ministries and more. However, we realize that a student's future potential is the direct result of a mutually invested interest by school faculty and staff, clergy, and the parent guardians. Through this consortium effort, our children and yours will flourish to become the professional leaders of tomorrow prepared to contend with the relentless challenges of society. On behalf of our entire family, we strongly believe in Saint Mary Academy's commitment to academic excellence, faith formation, and a holistic approach to learning. We welcome you and your family to join us on this journey.

Why Saint Mary Academy?

SMA Alumni Gavin Scott

Student at Trinity High School

I attended SMA from Kindergarten through 8th grade, and not once did I feel out of place. During my time there, I built lasting relationships with both friends and teachers, many of which I am still in touch with today. The strong sense of community at SMA guided me in the right direction in the classroom, in sports, and in life. My teachers were always supportive, even when I was talking too much in class, offering me advice that has made my high school life easier. Athletics also played a big role in my life at SMA, and still do today, thanks to the amazing coaches I had.

Their passion to not just produce winning teams but athletes of character made sports at SMA more rewarding to compete in. When I reflect on my time at SMA I think of a place that gave me the tools to be the best student I could be, all while surrounding me with a tight-knit community where I always had someone to turn to.

SMA Alumni Molly Moore

Nursing Major at Miami University (Ohio)

I graduated from Saint Mary Academy in 2019 and after 5 years, I still look back at the special moments I experienced from my time there. I met some of my best friends at SMA, who I still hang out with to this day. The teachers and staff were always so helpful and kind to me, which is one of the reasons it was so hard to say goodbye. Being there from kindergarten to eighth grade has made me the person I am today and I credit SMA for the skills and lessons I learned during my time there. I would definitely recommend SMA to any family, it helped shaped my childhood and who I am today.

Admissions Process

Step 1: Schedule a visit - We would love to give you a tour of our campus and share more about our school's programs and values. Shadow experiences are also available if you are interested in your student experiencing a typical day as a Saint Mary Academy Monarch. We will pair your child with a student in his/her current grade and treat them to lunch!

Step 2: Start your online application

Visit stb2008.org/online-application or scan the QR code to begin!

Step 3: Admissions Assessment - After a review of the complete application, we will schedule the admissions assessment for all JK-8th grade students. The assessment includes a reading and math screening along with an evaluation of language capability, the ability to follow directions and complete tasks, and conceptual skills.

Step 4: Application Review - The admissions team will thoroughly review the complete application and admissions testing results. The family will be notified of (1) Acceptance (2) Waitlist (3) Non-acceptance.
