

Parent-Teacher Organization

The mission of the Saint Mary Academy Parent Teacher Organization (SMA PTO) is to provide and promote educational and enrichment opportunities at the school, to develop a closer connection between school and home by encouraging parental involvement, and to improve the school environment through volunteer and financial support. The SMA PTO is an advisory committee that supports the Principal in striving to develop and foster an environment of Catholic principles in keeping with the teaching of Christ. The SMA PTO will seek to welcome and incorporate all new students, parents, and teachers into the Saint Mary Academy community. By recognizing the God-given talents of all members and participants, the SMA PTO will serve our Saint Mary Academy family and will work to unite and welcome all.
