Gratitude:

- **Thank you** to Kristi Davidson and Aura Castillo for volunteering in October!

Reminders:

-Send a full, sport top/spill-proof, **water** bottle with your child every day. These should be filled only with WATER. Please do not send drinks with added sugar, sweeteners or caffeine. Sugary drinks and snacks that require refrigeration will be replaced with a snack or drink from your child's teacher.

-Teachers plan to take the children outside every day (weather permitting). Children will be more comfortable when they are **dressed appropriately**. Please make sure your child has a coat (hat, mittens, etc.) and is prepared to go outside. Remember: no flip-flops, crocs, or heels. And please remember to label everything that belongs to your child.

Who are the people in your family? Talk with your children about who is in your family. Name them, and then have a people-math discussion: Who is taller? Who is shorter? Can you order them small-medium-large or shortest-tallest?

Sort your Halloween candy (or small toys, leaves, acorns, etc)! Any small – or large – items can be sorted by size, shape, color, or other attribute.

Playing with dough or clay is good for fine motor strength. Cutting dough with safety scissors is another good activity to prepare little muscles for writing. Always provide proper supervision, especially if there are younger children around.

ZIP! SNAP! BUTTON! Allow and encourage your children to put on and zip, snap, or button their own coats. Practice, practice, practice!

Ask your child to tell you about the unit subject or to tell you something that is the unit color or shape. Look for things that are that shape or color. Together, list as many words as you can that start with the letter we are concentrating on or any other letter.

Practice good table manners. At school we encourage children to sit with their legs under the table and their chairs pushed in. We ask them to say "Yes, please." or "No, thank you." when we offer them something at the table.

Talk about the way your family celebrates holidays. Share whatever stories and pictures you may have. (These would make a great show & tell!)

Looking forward . . .
