Go outside! Notice signs of Spring! Draw what you see and bring the drawing to school!

(If your child is interested, suggest he/she label the pictures. Spelling is not important right now. Praise all efforts at writing/pre-writing.) If Spring happens to be a bit “delayed”, draw what you think it will look like, or how it will look different than Winter.

### Ms. Hunt's class

Ms. Hunt's pet unit is in March. If you don't have a pet, you and your child can look for a photo in a magazine of a pet he or she would like to have. If you do have a pet, you can find or take a picture to bring to class for the bulletin board. If you would like to bring your pet for show & tell, you must make an appointment to do so and you must provide a copy of your pet's up-to-date shot record. We're sorry, but birds are not allowed.

Find letters, and then come up with words that begin with that letter sound. (Nonsense words are ok. Just listen for understanding of the starting sound.)
