A Vocation View "If you love me, you will keep my commandments." The Holy Spirit gives us the courage to embrace our Faith with a whole heart, but we must receive this gift in humility. (John 14:15) If you want to talk about your vocation discernment, call Fr. Joe at the parish office or email frjoe@churchofstalbert.org.

From the Desk of Fr. Joe Zabinski

Hello Parishioners of St Alberts!

We continue to enjoy the Risen Lord in this Easter Season! The Lord has been doing some great things in our local Church—within our parish and our Archdiocese! He is alive and well!

First, I would like to congratulate all of the First Communicants who received the miracle of the Eucharist for the first time. They received the living Lord into their own bodies, making their bodies a tabernacle of the Lord. Let's continue to pray for them and for all of us that we may realize this great gift and that we may allow the Love of the Lord to shine through us - especially after we receive His Body, Blood, Soul and Divinity at the Mass. I would like to thank all those who helped make their day so special. Their Parents, Catechists, our Faith Formation Director, Jean Wold, their Godparents, Grandparents, other family members and friends who have directly or indirectly formed them and helped them make that day so special. Thank you to you all!

Secondly, the Lord has been alive with other Sacraments received at St Alberts. It is amazing to see the number of couples who have been coming forward to have their children baptized! It has been a great blessing for me as the priest to walk with them and prepare them for such a momentous occasion in the life of their child. Baptisms for me make me feel like a father the most. Since I was ordained to the transitional Diaconate in 2015, I have kept record of those who I have Baptized. My book in which I write the names is getting fuller and fuller!

Thirdly, we have been seeing life in the building project in our parish. We now have an architectural firm looking at our campus and helping us make a master plan. This will be a way to help gauge our structural needs to help plan for our future. Within this, the firm will be getting input from you, our parishioners, to help know and understand our needs within the parish campus. As I mentioned in my homily, it might be having our parish center combined with our parish offices to help be more efficient with the space we have within our campus.

This planning will help us be more mindful of our resources as well. If we do not plan for our campus' future, we might build something that might need to be partially torn down or need to be added which would have been apparent if we would have planned for a future build. This is what the Town Hall Meetings will be all about. It will be a time to get input so that we can get a plan laid out, not only for our current needs but for the future of our parish campus' as well. This is also what makes it different from last summer's input meetings. Last summer's input meetings were intended to discuss our parish generally - not necessarily about our building structures. I am sorry if that was confusing to anyone. These upcoming Town Hall Meetings are intended to get input about our building structures and campus needs with the architectural firm - and that's what makes it different from last year's gatherings. I would encourage you to attend as a way to help us know what you would like to see for the Church of St Albert - bringing more life to our campus and Christ into the hearts of those in the surrounding area!

As in all things, please keep all these things in your prayers. Pray especially to Our Lady in this month of May under the title of Our Lady of Perpetual Help so that we may receive the guidance necessary to complete in a beautiful way what our Lord desires us to accomplish on earth here - bringing many souls to Him. **God bless you! Fr. Joe Zabinski**

Reflect, today, upon your own level of obedience to the will of God and your understanding of the importance of that obedience. Do you realize that God's will is perfect? Perhaps you do intellectually, but how about practically? When you read Jesus' commands of love, do you seek to follow them without hesitation? Do you forgive those who seem undeserving? Can you say, with our Lord from the Cross, "Father, forgive them, they know not what they do?" Reflect upon anything this past year that was difficult for you to embrace. Ponder it, pray over it and seek to obey whatever He reveals to you. Doing so will be the first step toward the fulfillment of your deepest desires in life.

Most glorious Jesus, Your will is perfect in every way. Obedience to Your will leads to the fulfillment of my life and my every desire. Please bestow the Spirit of Truth upon me so that I will always know Your will and embrace it with all my might. Jesus, I trust in You!

TOWN HALL MEETINGS

St. Albert Parish Center

Tuesday, May 16 from 6:30-7:30pm

Saturday, May 20 from 5:15-6:15pm

Master Planning provides a long term vision as to how a parish campus should grow to meet the future needs of a community, while also preserving the things that are most valuable to us. Think of it as a big picture perspective of an organization's countless moving parts, offering a "road-map" for how those parts will grow and shift over time.

- The Church of St. Alberts is beginning its work on a Facilities Master Plan.
- We would like to have you join us for a Town Hall with our architect ATS&R.
- These will be one-hour sessions, but both are the same. You need only attend one.
- ATS&R is seeking your thoughts on what you feel would be most important in this plan.
- This will be the first of a couple times you will be asked to provide input into this process.
- The goal of this work is to have a completed Facilities Master Plan by the end of this summer.

Watch over us and take care of us. As you held the child Jesus in your loving arms, so take us in your arms. Be a mother ready at every moment to help us.
