St. Albert Catholic Cemetery

Throughout the history of our faith, the cemetery has been dedicated as a sacred place for the burial of the bodies of our faithful departed brothers and sisters.

Those who use the cemeteries were able to see intimately the connection between life, death, and life after death. Each visit to the cemetery provides the faithful with a very visible sign of the communion of saints.

With this in mind we strive to maintain a neat and clean cemetery, the following rules and regulations have been adopted. This brochure is intended to be used as a summary of the rules and regulations. For a complete copy please contact the parish office.
