You are invited to join us on a Journey of Faith, as we seek to understand more fully and enter more abundantly into the New Life offered to us by our Lord, Jesus Christ. Jornada de Fe is offered as a service to those seeking a deeper understanding and a more active participation in their Catholic faith. Rooted in the Gospel and incorporating insights from the full Catholic theological heritage, Jornada de Fe fosters the skills, education and attitude needed for effective ministry.

Additional information can be obtained from the Jornada de Fe Coordinators:

Ann and Brian are a married couple and parishioners of St. John the Baptist in Santa Fe. They are experienced educators in both adult religious education and university settings.

Jornada de Fe (Journey of Faith) is a three-year program consisting of 150 hours of ministry, scripture, and theology formation. The program may be entered at any point in the three-year cycle.

Sessions are held one Saturday each month from 9:00 a.m. to 3:00 p.m.

Each session includes meditation time, the session topic, communication and leadership skills, and application of the session topic to ministry.

The Jornada de Fe program is partially funded by the Santa Fe Deanery parishes and subsidized by the Archdiocesan Catholic Appeal. In addition, participants may be asked to contribute a nominal fee.

Registration information is provided on the other side.
The goal of Jornada de Fe is to help form ministers whom:

- Are well grounded in the Gospel message and Catholic teaching and practice
- Are prepared to witness the Good News by the quality of their lives and relationships
- Understand themselves and their Christian vocation and are prepared to enter into mature relationships with God, with others and with today’s world
- Are able to integrate what they learn into their own lives and ministries
- Have the skills and attitudes proper to good ministry and are well prepared to exercise these skills at the parish level
