GOSPEL REFLECTION

A Catholic friend of mine occasionally says, "The Eucharist is not a noun. It's a verb." In so saying, he is making the point that the Eucharist isn't simply Jesus' bodily presence given to us in holy Communion. It also manifests the dynamic pattern by which Christ actively loves and saves us. He teaches us to cooperate with that pattern. This Eucharist actually embodies four verbs: Jesus takes, blesses, breaks, and gives.

Let's consider each one.

He **takes**: Do we acknowledge that we are totally in God's hands? Do we receive everything in our lives as a gift, and act responsibly with it?

He **blesses**: Do we actively reflect that Jesus makes us holy in our baptism? Do we embrace our bodies and souls as temples of God, worthy of love, peace, and joy?

He **breaks**: Do we run from failure and disappointment, from getting old or being ignored? Are we too worried about getting hurt or sick? Do we embrace our sufferings with confidence?

He **gives**: Are we willing to make our lives a gift for others? Are we confident that we will always have enough love to give to others, that God will always provide enough for us? Do we rejoice in giving away what we have to others, expecting nothing in return? This is the dynamic life the Eucharist empowers us to live.

NEXT SUNDAY—SECOND COLLECTION FOR ST. VINCENT DE PAUL

Next week, we will have a second collection to support the ministry of our St. Vincent de Paul Conference. Since our last Sunday collection for SVdP in March, our Conference was able to pay rents for twelve neighbors. Several of these families were facing eviction. In addition, our payments of late utility bills resulted in the continuation of electric and gas services, and in one instance enabled restoration of those services after shut-off. You can see how your gifts make a huge difference for our neighbors in need.

Checks can be made out to "SFA St. Vincent DePaul." Donations are also accepted using the QR code to the right.

Thank you for your generosity!
