For the Fall: We are asking each family to purchase a Chromebook case for each student. Now that each student has one and the children will most likely be moving again to classrooms, the need for protecting the Chromebooks is present again. Here is a link if you are looking for what works best with a Chromebook. Thank you, parents.

Education Improvement Tax Credit-commonly known as EITC

The Summer Webinars flyer is attached to this email. Please take a few minutes to review the information pertaining to this Pennsylvania program that enables individuals and companies to direct their tax dollars to non-public schools for tuition assistance. STC is able to provide tuition assistance to families through this EITC program.

If you are an individual or a company who pays taxes to the state of PA, you are able to redirect your tax dollars to a non-public school (St. Teresa of Calcutta) and you will receive either a 75% or a 90% tax credit. Individuals and companies who have gone through the process continue to say: It's a win-win situation for everyone. Please register

and join one of the many webinars held by the Foundation for Catholic Education this summer. See the attachment for more details. Thank you so much!
