Thank you

Thank you to all for your support during the last two weeks. We experienced dramatic weather changes and schedule changes due to the activities of Catholic Schools Week. It is so appreciated knowing that the parents of STC support the faculty and staff amidst all the changes, transitions and decisions that need to be made for the good of all students and STC school community.

Thank you for Catholic Schools Week Donations

Thank you to all our STC families for their generosity in reaching out to others this past week. Over \$500 was raised for our Hero's lunch to feed our hero hospital workers at Pottstown Hospital. A van load of supplies was collected for Variety Club in our Children Helping Children Outreach Campaign. The kindness and goodness of our families is greatly appreciated.

Thank you to the Home and School Association for providing snacks for our students and lunch and gifts of appreciation for our teachers. Their enthusiasm and love of STC is apparent in all their time and efforts.

Health Corner

Vaccines-Parents, as your children receive the vaccine, it will be very helpful for us to know who is vaccinated and who is not vaccinated in the event we need to conduct any contact tracing. I am asking you to send in a copy of your child's vaccine card. You are welcome to send a copy or a picture of it. Thank you! Send to: rjohn@school.stteresacalcutta.com or cfalciani@school.stteresacalcutta.com

Uniform <https://www.stcschool.com/uniforms>

Please review and follow the dress code per the handbook. The link above contains the information. The cooperation among the parents and students to ensure the dress code is followed has been apparent these past two weeks and is greatly appreciated. Thank you for your continued support.

Lunch/Recess Volunteers

We need as many lunch/recess parents as possible. We need volunteer parents on the recess yard as well as in the APR for supervision. A Sign-Up Genius is sent out for you each week to use if you are able to volunteer to be a lunch parent. If you are able, please consider being a lunch parent as this is a definitive need.

Recess Procedures

Students are taken out for recess if the temperature is above freezing and there is no precipitation. Please have your child prepared with the proper outerwear as deemed by the weather and temperature conditions. It has been a tough few weeks and outdoor recess has been sporadic. Winter is not over, unfortunately. During indoor recess students are allowed to move around, play games and talk to one another. Proper and respectful behavior is expected as it would be for any type of recess. The students still have gym and the teachers get them out of their desks for breaks. With space constraints we are doing the best we can, and we truly appreciate your understanding especially with things beyond our control.

Free Throw Competition

The Knights of Columbus Council 15456 is hosting the annual Free Throw Championship on Sunday February 6, 2022 in the STC Gym from 11:30-1pm. This is a Free Event and is open to all boys and girls ages 9-14. Past Council winners, Anya Bator, Brianna Lewis.
