Health and Safety Plan Update

Addendum of changes regarding quarantine times for positive case:

A student with a positive test result will be required to quarantine 5 full days with Day 1 beginning the day after the positive test. They may be tested on day 5 and return on day 6 with a negative test and no symptoms. We will ask that the student mask for 10 days post positive test. If a student tests positive on day 5 they may not return to school until they achieve a negative test.

Welcome

We give a warm STC welcome to Mr. Jim Vishio who has joined our staff as IT support and technology teacher.

Registration for the Decision Point program for the 2022-2023 school year is open for current sixth grade students at St. Teresa of Calcutta School. Please follow the link below to register and choose your child's session by April 30th. The Confirmation Material Fee of \$60 will be withdrawn from FACTS.

Lunch/Recess Volunteers

We need as many lunch/recess parents as possible. We need volunteer parents on the recess yard as well as in the APR for supervision. A Sign-Up Genius is sent out for you each week to use if you are able to volunteer to be a lunch parent. If you are able, please consider being a lunch parent as this is a definitive need.

Recess Volunteer Incentive

For the month of April, we will be holding a drawing for a gift card. Anyone who volunteers for recess/lunch duty will have their name placed in the drawing each time they volunteer. The drawing will be held at the end of the month. We appreciate your time and help and want to show our appreciation. Thank you to the Home and School for helping with this endeavor.

Looking Ahead
