January Newsletter

What's Happening in Art this Month

Happy New Year! To kick off the new year your students will review themes such as the contour drawing, self-portraits, and drawing composition. For our Middle School students, their work will show an understanding of foreground, middle ground, and background. In the Elementary School, our work will focus on drawing the human form. Finally, for all grades, there will be an introduction into color mixing that will support future projects as well.

ATTENTION:

As the second quarter is now underway, I want to encourage all parents and guardians to review the Art Grading Rubric with their students. Understanding art room expectations will allow for a productive and fruitful school year for all students.

**** DONATIONS WELCOME!**

The art room is always accepting fresh supplies for future projects. You can reach me at emily.hurley@kingstoncatholic.org with any questions. Thank you!
