## OCTOBER

### Upcoming EVENTS

Oct. 6 - ½ day, 12:00 dismissal

Oct. 9 - NO SCHOOL!

Oct. 20 - NO SCHOOL!

Oct. 27 - Trunk or Treat

Oct. 31 - NO SCHOOL!

### OUR LEARNING focus

- **ELA:** We are exploring informational texts! We are looking at the purpose behind informational texts, and what they tell us. As always we are working on writing in complete sentences. Please be sure to keep up the reading at home!
- **Math:** We will be jumping into measurement! We will continue to work with addition and subtraction. Please be sure to continue practicing math facts at home!
- **Science:** We are still working with shapes we can identify in landscapes! This is a continuation of our exploration of different landforms.
- **Social Studies:** Communities are our focus in S.S. this year. Next we will be looking at families and what role they play in our communities
- **Religion:** Being a disciple of Jesus is one of our main topics. This will help prepare students for their First Holy Communion and First Penance.

### Reminder
