## DECEMBER

### OUR LEARNING

5- We have concluded our studies of the United States. Now, on to the provinces of Canada!

6- Our unit on Ancient Egypt has ended, we are now traveling to Ancient India!

7- We have been setting the stage for the Colonial Era in American History. The students will be learning about the formation of the colonies.

8-The first shot has been fired, and the Civil War has begun! We will be analyzing the Union and Confederacy, and the effects the War has on Americans.
