

Welcome to Pre-K ~ Where the Adventure Begins!

Hello

PreK Friends!

I am so excited to be your teacher! A new and interesting world will soon begin in Pre-K, as our days and weeks will be filled with many wonderful experiences and opportunities for learning and growing. You will make new friends, read, write, sing, play, and make amazing discoveries.

We will have circle time and practice recognizing and writing letters. We will also practice listening for sounds as we read and write! In math we will identify numbers, count, add, subtract, measure, and practice shapes and patterns.

We will learn about God, his people, and his love for all of us. We will be stewards of planet Earth. We will look at communities, rules, and the environment. We will be using simple tools to explore and observe. We will also be working in learning centers!

You will need to bring a nutritious snack, lunch, and an adequate amount of water each day. You may also sign up to buy milk and hot lunch if you wish.

Together, we will have a year filled with joy, learning, friendship, and fellowship. I look forward to meeting you at orientation!

Love,

Mrs. Gisiano
