

# Classroom NEWSLETTER

## JANUARY

### Upcoming EVENTS

January 2 - Return to School

January 4 - MAP Testing Starts

January 5 - First Friday - 12:00 Dismissal

January 15 - Martin Luther King Jr. Day - No School

January 28-February 2 - Catholic School's Week

### Reminders

The cold weather is here! Please make sure to send your child to school with a warm winter coat for when they go outside for recess.

Our January book report will be a cereal box book report. Students will choose a fiction book to read. An assignment sheet will be sent home.

### OUR LEARNING

#### focus...

**ELA** - We will continue to read different genres of text. The students will be working on crafting short responses that include a claim, evidence, and supporting details.

**Math** - We are at the beginning of Topic 5. This topic focuses on Multiplication and Division within 100.

**Social Studies** - We will continue to strengthen our map and geography skills. We will continue learning about economics.

**Science** - We are working hard on our unit about Magnetism. We will create flashcards and play some Kahoots to strengthen our knowledge.

**Religion** - We will be preparing and reviewing for our religion mid-term later this month.

### Practice AT HOME

This month we will continue our multiplication quizzes. Please continue to practice these facts with your child at home.

We will also be creating vocabulary flashcards for science and social studies. Please go over these with your child as well. Thank you in advance!

### Specials SCHEDULE

Monday - Library

Tuesday - Art

Wednesday - Gym

Thursday - Music

Friday - Health
