Jan. 15 - NO SCHOOL!  
*Martin Luther King, Jr. Day*

Jan. 31 - January Book Report  
Due (Black History Month  
Biography)

### OUR LEARNING FOCUS...

**Math** - We are close to halfway through Module 4, which focuses on adding with regrouping. We are also using a place value chart to show how we regroup using the standard algorithm. Keep reviewing those addition and subtraction facts!

**ELA** - We will continue to explore genre, compare text structures, and analyze texts for main ideas, make inferences, and understand point of view.

**Science** - We will continue to explore how maps show us natural features. We will compare and contrast physical maps from this unit to the maps we will look at in SS.

**Social Studies** - We will explore the importance of maps! We will look at local and world maps.

**Religion** - With January here already, we will focus on preparing for First Penance!
