## From the Pastor • Del Pastor

Dear friends at St. Louise,

Today, September 11, marks the anniversary of the terrorist attacks on the World Trade Center and the Pentagon and the heroic crash of United Flight 93 into an empty field in Shanksville, Pennsylvania.

May all of us remember with  
love and compassion this day.  
May we grieve with those who still mourn,  
And share memories with those who cannot forget.  
May we draw strength from those who bravely  
responded,  
And gave their lives to save others.  
May we stand with strangers who became neighbors  
that day,  
And remember their generosity and hospitality.  
Above all God may we remember your faithfulness  
And learn to trust in your unfailing love.

*Xavier University*

For Americans, the events of September 11, 2001, are among the most horrific in living memory. Yet we know that God is with us, through it all.

Fr. Gary Zender

Queridos Amigos de Sta. Luisa:

El día 11 de septiembre es aniversario de los ataques terroristas en las torres del Centro Mundial de Comercio y el Pentágono, y del vuelo 83 de United que se estrelló heroicamente en un campo de Shanksville, Pennsylvania.

Que todos recordemos con amor y compasión este día.  
Que podamos llorar con los que todavía están de luto  
y compartir los recuerdos con aquellos que no pueden  
olvidar.  
Que podamos sacar fuerzas de quienes respondieron tan  
valientemente,  
y dieron sus vidas para salvar a otros.  
Que podamos estar unidos con los extraños que se  
convirtieron en vecinos ese día  
y recordar su generosidad y hospitalidad  
Sobre todo, Dios, que podamos recordar tu fidelidad  
y aprender a confiar en tu amor constante.

*Universidad Xavier*

Para los americanos, los eventos del 11 de septiembre de 2001 se encuentran entre los más horribles en la memoria viva. Pero sabemos que Dios está con nosotros, en medio de todo.

### LIVE THE LITURGY

#### Inspiration for the week

It is easy to worship things other than God. Our perception of reality gets distorted as well as our understanding of truth. Ideologies and theories that find a popular reception are extolled when they are simply lies. Human beings easily get lost. God came to us in the person of Jesus Christ to rescue us from our sins and keep us where we need to be. But we have to realize that we are living in darkness before we can ask for light. We have to recognize that we are lost so that we can desire to be found. And, we have to know that we have sinned so that we can repent. God always patiently waits. God is delighted when one of His children chooses life over death and runs toward His unconditional Mercy. Let's not be so stubborn and stiff-necked that we fail to recognize that we may have wandered into the wrong pasture.

### SAINT OF THE WEEK

Born in Antioch in the 4th century, and raised by his widowed mother, Saint John received a rigorous classical education. He was first called to the ascetic life, even spending time as an anchorite living in a cave near Antioch. However, this life of extreme mortification was hard on his physical body, and he eventually returned to the city to recover.

Saint John was ordained in 298. He spent the next 12 years preaching in the Cathedral of Antioch, and it was most likely during this time that he earned the name Chrysostom which means "golden-mouthed."

In 397 or 398 he was made archbishop of Constantinople against his will. This post placed Saint John in the midst of imperial politics. But he would not be drawn in. He kept a modest household without extravagance and refused to serve the sumptuous suppers for political supplicants that predecessors in the position had. He preached against corruption and decadence and fought for the reform of clergy even deposing corrupt bishops.

Unfortunately, this high moral stance made enemies of powerful people at court and in the Church. They conspired against him and eventually Saint John was exiled to Armenia. He died in exile in 407. He was made a Father of the Church at the Council of Chalcedon in 451 and declared a Doctor of the Church in 1568.
