Fun Fact About John - He loves monster trucks!

A Peek at Our Week

Math:

- Students used stair steps, cubes, math mountains to find partners of 8, 9, and 10.
- Math centers included the following: What's Between These Numbers, Mystery Hundred Chart Picture(Apple), Math Mountains, and Roll It Addition.

Reading:

- Reviewed memory words: put, of, and was.
- Decoded words with ig, ell, ill, and up.
- At the Bus and At the Pond were the stories of the week.
- Reading centers included: Pirate CVC game, Superkids Guided Reading, Spelling Rainbow Write, and Read to Self.
- Writer's Workshop - Students wrote a list of things they like to do. They chose 1 activity to write 3 sentences about.

Religion:

The students learned the 5 Finger Prayer.

Science:

We have been observing the weather each day and keeping track with a bar graph.

Social Studies:

The students learned about rights and responsibilities.
