He has meetings in the coming weeks with the parish which will help finalize budgets. The anticipated increase to keep up with expenses and teachers' salaries is 3-5%. The goal is to have tuition set prior to January when enrollment kicks off for the following year. • Breakfast/Lunch Follow-Up: Feedback and concerns over the menu offerings were voiced at prior meetings. Heidi has been working with CKC and it was discovered that we can make a menu substitution in some cases for the vegetarian option which may be more kid-friendly. This was done a few times on the November menu and they will consider this option more in the future. There is a lower sugar substitute breakfast option; however it includes hard boiled eggs and at this time, that is not something they want to deal with in the classroom.

Feedback from the group was very favorable with many positive comments. • Middle School Late Work: A question was recently asked about the Middle School late work form. A discussion was held and feedback shared by middle school parents on SAC. There are pros and cons to the form, and opinions on some cases where it seemed to be overused. Tim will share the feedback with the teachers. • Gym Fun Night: Ms. K is planning a Gym Family Fun Night. The group thought this was a great idea and that their kids would be interested in attending, schedule dependent.
