Spring Break

A Few Reminders

Living Water Project

Water bottles were sent home on Wednesday. Collect money to help provide clean water to families in Kitui, Kenya. Money should be returned on March 7th. Thank you!

Happy Birthday

Penelope - February 21

Half-Birthday

Lauren - February 22

Star Student

Maya was the star student this week.

Fun facts about Maya - She loves reading and spending time with her cousins.

A Peek at Our Week

Math:

- The students solved problems with three addends.
- We used ten groups to count large quantities of objects.

Reading:

- Reviewed memory words: down, too, work, many, and first.
- Decoded contractions with final y.
- My Happy Rainy Day and In Case of Rain were the stories of the week.
- Writer's Workshop - Generated ideas for how-to writing.
- Reading centers included: Swirly Word Spelling, BAM Game, Final y, and IXL Consonant Blends and Digraphs.

Religion:

- The students learned about the Living Water program and our partnership with Kitui, Kenya.
- We watched the stations of the cross video made by Ms. Morris's 5th grade class.

Science:

Our Science Spin informed us how zoo animals are weighed.
