## Thank You

Thank you for coming to Spring Conferences. I enjoyed meeting with you. Please reach out if you have any more questions or concerns.

# A Peek at Our Week

## Math:

- The students used number lines to count forward and backwards.
- We added and subtracted tens from 2-digit numbers.
- Math Centers included the following: Shut the Box Addition, 3D Shapes, Greater Than/Less Than, and IXL Understand Subtraction.

## Reading:

- Reviewed memory words: down, too, work, many, and first.
- Decoded words with final y.
- Reviewed the meaning of er and est endings.
- Cass Takes the Cake and Golly Helps were the stories of the week.
- Writer's Workshop - How To Writing
- Introduced vocabulary words: produce, plenty, and disturb.

## Religion:

The students learned about Lent and Easter symbols.

## Science:

The students learned about leap year.
