PRAYER INTENTIONS OF POPE FRANCIS FOR JULY:

Social Friendship

We pray that, in social, economic and political situations of conflict, we may be courageous and passionate architects of dialogue and friendship.

In two weeks as the universal Church we will celebrate a first World Day for Grandparents and the Elderly. We do this to understand that all of us, young and old, grandparents and grandchildren, whether or not we belong to the same family, are “one body and one Spirit, as you were also called to the one hope of your call.” This awareness comforts us and shapes us as a people as we gather around the altar on which the Lord multiplies the bread of life and the Word of our salvation. The elderly are important. Without them the body of the Church lacks something. That is why it is necessary for them to have their rightful place within each of our communities. It is crucial that we share in the lives of older people in the same way that the Lord, in giving us his Body and Blood, has made us sharers in his own.

That is why in 2 weeks we will have special prayers and blessings for all our grandparents and elderly at all our Masses in our pastorate. As Pope Francis quoting Jesus’ words from St. Matthew’s gospel speaks to us, “I am with you always.” Pope Francis especially asks young people to visit their grandparents, and especially the elderly who are alone, to give them the Holy Father’s message. This past year during Covid, I was unable to see many of our elderly parishioners, so it is appropriate now to show our support, concern, and love for them leading up to this weekend, and of the course in the days that follow. Let us continue to ask for the intercessors of grandparents, Joachim and Anne—Jesus’ grandparents—to pray for our grandparents and elderly as we continue to grow as a family of faith.

In Christ,
 Fr. Hurley

Today's readings are about being chosen and sent. The prophet Amos was chosen by the Lord and sent to use his talents for the people of God. The Gospel recounts the story of the sending of the twelve disciples; and in the second reading, St Paul reminds us that we, too, are chosen. For what have I been chosen? To whom have I been sent?

FROM DEATH TO NEW LIFE

Please remember in your prayers Cheryl Baker, parishioner of Holy Family, and Jack Trees, father of Pam Trees, parishioner of Holy Family, who passed to eternal life this past week. May his family be comforted by your prayers.

Creating the Plan

The Pastoral Vision Planning process begins by soliciting the input of the parishioners of each pastorate. The intention of the survey is to give each member of the pastorate an opportunity to share their experience, provide feedback, indicate their future needs, and share a little about their faith life. These results are compiled by the team at OSV and presented to the Vision Planning Team at each pastorate.

The members of the Vision Planning Team review the results, read through all of the comments, and discuss the overarching areas where they want to focus the future plan. Then, the team holds a “Big Brainstorming Session” fueled by ideas, post-its, and conversation all centered on the major areas of focus decided on by the Vision Planning Team and the Missionary Pastor in consultation with the Pastorate Consultant. The team engages in a few rounds of brainstorming to write goals for each focus area and then outline potential milestones (concrete actions) to help the pastorate achieve those goals over the course of the next three years.

GOSPEL REFLECTIONS:

**AM 7:12-15; PS 85:9-10, 11-12, 13-14; EPH 1:3-14
OR 1:3-10; MK 6:7-13**

Our readings today remind us to live our lives in total surrender to God's care. The Gospel recounts when Jesus instructs His twelve apostles to begin their missionary work two by two. He encouraged them to take very little — a walking stick and sandals. If you can recall a time you packed for a trip, or even left the house for a day's travel, you might remember making a list or packing days in advance. We tend to pack so we know we will be comfortable.

If we extend this concept of "comfort" into other areas of our lives, we will most likely find a few instances where we ensure life is comfortable. It could be buying extra food at the grocery store, making sure we have the most updated technology, or even feeling safe in our bank accounts. It is not bad to have extra food in the pantry or a new phone. And it isn't bad to save money. These things can be good when used properly.

But what if we are looking to these things for comfort, security or even happiness? Imagine if Jesus approached you and said, "Go out and do my work, but you can only bring a walking stick and shoes." Would you be willing to surrender all the rest?

A key component of living out our call as Christian stewards is total surrender. It is trusting in God during our best moments and our hardest. It is looking to Him for security, comfort and happiness. Reflect on the ways you might be looking for comfort in the things of this world. Tangibly find a way to become independent from that "thing" so that you can become more dependent on God.
