## STOP THE RAIL FROM CREATING A SPUR IN GRETN

A proposal from the New Orleans and Gulf Coast Railway Company would expand train tracks by creating another spur in the city of Gretna in order to transport Canadian crude oil. This would be dangerous to our city. Smaller trains have already derailed in Gretna from NOGC Railway Company. Send a letter to your Senators and Representative to stop this atrocity (copies are available in the rear of church or click on this article to get to the pdf's to print and send to Senators Kennedy and Cassidy, as well as Representative Richmond). Tell them to go a different route and to respect our city, our community, and our citizens.
