St. Joseph Now Has an Assisted Listening System 72.9MHz

A personal PA allows parishioners to use their own audio device to listen to priest/speaker/lector so that they may hear what is being said. The sound is broadcast on 72.9MHz which is a FM frequency (although not on the regular radio which is 87 to 109MHz).

Devices are available for purchase (\$10) from the Parish Office. In general, the device allows the listener to control the volume and hear better what is being audibly conveyed. These devices are not necessarily for those whose hearing is impaired but also for those who want to hear more clearly and distinctly what is being said. The better the device and/or earphones; the better the sound quality. It is well worth the investment to get something that allows one to hear better.

Fr. Gary has also made some headphones available to borrow during mass. After use, please sanitize and return before exiting church.

Our Church is like a cave with an echo. It is great for concerts and chorales but not so great for public addresses. Bad acoustics, area of seating, and other factors affect how we hear. This system will help us all out. These PA devices help eliminate a lot of the interference that comes from these negative factors.

Please be reminded that St. Joseph Church is open daily from 8am-4pm.

Drop by, light a candle, say a prayer, adore the Eucharistic Face of Jesus, walk the Stations, and lay your burdens down at the Cross.

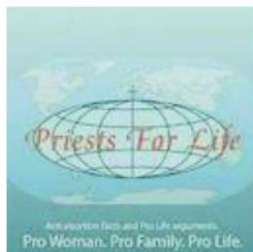

Come Lord Jesus Bible Study meets on Wednesday at 1:00pm in the Social Room of the St. Joseph Family Life Center and on Thursday at 10:30am at St. Anthony Rectory.

Catholic Lens Series

Join us! Notre Dame Seminary and Catholic Community Foundation are co-hosting the Fall 2020 Catholic Lens Series: Living the Gospel in a Fractured Culture. In the four-part series, speakers will explore the foundational principles that guide our Catholic mission of unity in the world and bring a message of hope and encouragement. **The first event, Developing a Catholic Lens: The Church as a "Creative Minority," takes place on Wednesday, September 2, from 6:30 to 7:30 p.m.** You may attend the series in-person or virtually. In-person events will be held at Schulte Auditorium at Notre Dame Seminary, and they will be socially distanced with a 100-attendee maximum per event. **Registration is required.**

Fill Out Your Census Form

The census helps shape many different aspects of your community. Everyone is counted. For the first time, you can choose to respond online, by phone, or by mail. Respond today. Support Your Community. Your Response Matters. Census results help determine how billions of dollars in federal funding flow into states and communities each year. If you are not counted, Gretna suffers. If you don't fill out the census, roads cannot be maintained adequately, no new drainage projects, and less in times of need. Fill out the Census today.
