Prayer for the Hurricane Season

Through the intercession of *Our Lady of Prompt Succor*, may we be protected from all loss of life and property during this hurricane season.

In honor of the Feast Day of St Francis of Assisi, Patron Saint of Animals, we will be blessing all pets at 10:00 am October 3, 2020 at St

Anthony Church 924 Monroe St Gretna in yard next to Rectory, and at St Joseph Church & Shrine 610 6th St Gretna at 6:00 pm on October 3, 2020 in the Holy Family Garden.

St. Joseph Now Has an Assisted Listening System 72.9MHz

A personal PA allows parishioners to use their own audio device to listen to priest/speaker/lector so that they may hear what is being said. The sound is broadcast on 72.9MHz which is a FM frequency (although not on the regular radio which is 87 to 109MHz).

Devices are available for purchase (\$10) from the Parish Office. In general, the device allows the listener to control the volume and hear better what is being audibly conveyed. These devices are not necessarily for those whose hearing is impaired but also for those who want to hear more clearly and distinctly what is being said. The better the device and/or earphones; the better the sound quality. It is well worth the investment to get something that allows one to hear better.

Fr. Gary has also made some headphones available to borrow during mass. After use, please sanitize and return before exiting church.

Our Church is like a cave with an echo. It is great for concerts and chorales but not so great for public addresses. Bad acoustics, area of seating, and other factors affect how we hear. This system will help us all out. These PA devices help eliminate a lot of the interference that comes from these negative factors.

Please be reminded that St. Joseph Church is open daily from 8am-4pm.

Drop by, light a candle, say a prayer, adore the Eucharistic Face of Jesus, walk the Stations, and lay your burdens down at the Cross.

At the request of the Archbishop, the church bells will be rung daily at 6:00pm to offer prayer for protection from the coronavirus and to ask God's blessings on healthcare workers who serve us so well.
