A Prayer to St. Joseph, Defender of Life

Dearest St. Joseph,
at the word of an angel,
you lovingly took Mary into your home.
As God's humble servant, you guided
the Holy Family on the road to Bethlehem,
welcomed Jesus as your own son
in the shelter of a manger,
and fled far from your homeland
for the safety of both Mother and Child.

We praise God that as their faithful protector,
you never hesitated to sacrifice
for those entrusted to you.
May your example inspire us also
to welcome, cherish, and safeguard
God's most precious gift of life.

Help us to faithfully commit ourselves
to the service and defense of human life
—especially where it is
vulnerable or threatened.
Obtain for us the grace
to do the will of God in all things.
Amen.

St. Joseph Now Has an Assisted Listening System

A personal PA allows parishioners to use their own audio device to listen to priest/speaker/lector so that they may hear what is being said. The sound is broadcast on 72.9MHz which is a FM frequency (although not on the regular radio which is 87 to 109MHz). We have headphones at the entrances of the Church for general use along with wipes to sanitize units before and after use. Devices can also be purchased from William Sound retailers, online retailers, EBay, and the like. Some cheaper units are available for purchase from the Parish Office. In general, the device allows the listener to control the volume and hear better what is being audibly conveyed. These devices are not necessarily for those whose hearing is impaired but also for those who want to hear more clearly and distinctly what is being said. The better the device and/or earphones; the better the sound quality. It is well worth the investment to get something that allows one to hear better. Our Church is like a cave with an echo. It is great for concerts and chorales but not so great for public addresses. Bad acoustics, area of seating, and other factors affect how we hear. This system will help us all out. These PA devices help eliminate a lot of the interference that comes from these negative factors. If interested in utilizing this system, speak to your Pastor, Fr. Gary.

On Thursday, October 14th at 6:30 p.m., the "Living Rosary" sponsored by the St. Joseph Women's Club will be held in St. Joseph Church. Everyone is invited. Please practice social distancing and wear a mask!
