**A Communal Celebration of
the Anointing of the Sick
Friday, October 18
12:10 Mass**

On Friday October 18, 2024, there will be a Communal Celebration of the Anointing of the Sick at the 12:10PM Mass at St Joseph in honor of St Luke, Patron Saint of Physicians. The Sacrament of Anointing of the Sick is both "a liturgical and a communal celebration." In the family home, hospital, or church, members of the Body of Christ gather for the sacramental rite led by a priest. The Penitential Rite followed by the Liturgy of the Word and sacramental anointing of the sick can inspire and comfort both those who are ill and their family and friends who are gathered (CCC, nos. 1517-18). Many parishes have communal celebrations at which many persons receive the sacrament. These sacramental celebrations are a "source of strength amid pain and weakness, hope amid despair" and a "joyful encounter" for the entire community (Christifideles Laici, no. 54).

Who do you want to please?

As we go through life, we have different people who help us to succeed. Football players have coaches, salesmen have managers, doctors have patients, husband have wives, and vice versa, and children have parents. All of these are for just a short period of time. We must also remember that time is but a measurement of change.

Our mentors will give us a reward for our accomplishments but also have a set of rules that can be difficult to follow and require us to give up something more to our liking, to receive the reward of the sacrifice. At the end of this phase of our lives we will graduate to a place where there is no time. Therefore, there is no change. This is an everlasting life of love, joy, and peace. It was created for all mankind but there are rules for this step. To prepare us for the change in rules for this life are love, kindness, and mercy. Opening our hearts to love others removes the barriers that allows us to have a change within us. Kindness allows us to look on each other as fellow members of our journey and not to judge the differences for it is better to have a loving heart than a clever mind. Mercy is to forget the things of the past that might have caused you anger when you did not forgive.

Now who do you want to please?
