All funds collected will go directly to supporting the education and formation of the 21 men currently studying to be priests in the Archdiocese of New Orleans. The annual cost to fund a single seminarian is \$45,000, and this total is one of the largest budgetary items in the Archdiocese of New Orleans. Please continue to pray for these men and those who work with them on their priestly formation. ### Blue Bloods

One of the most popular TV series on television was Blue Bloods. I enjoyed it and one of the things that rang a bell with me was the broken window concept. It was simple, if a neighborhood had broken windows in the area, they would more than likely have other more dangerous problems. Today in our communities we can make the same observations. If we have people disregarding the driving laws, we can have other problems. The stop sign means stop, the orange light means press on the break not the accelerator, the speed limit is for a reason. And the devil made me do it is not a valid excuse.

In the gospel today, Jesus was preparing for his 3 years of fulfilling the mission that his father sent him to do. He spent 40 days in the desert with only a few of the things necessary for survival. and none for comfort. Then, the devil who was not sure who Jesus was, tried to tempt him with food, power, and recognition. But the devil did not make him do it.

Now Lent can be our 40 days of showing Jesus that we are with Him.

We need not fast as he did but we can modify some of our meals and eliminate some of our sweets. It is important to focus on and increase our prayer time. Spend more time in church, attending mass more often is time well spent. If we have friends and family members who are not as active as we are we can spend time with them.

Lent can be a time of mending those broken windows and spending time with Jesus who gave up his life for us.
