**Action or Emotion**

Love can be defined as an emotion or as an action. Jesus showed us love by putting aside His divine nature and assuming a human nature which was an action and must certainly have been an emotional experience. Last week we celebrated Mother's Day which combined women with the rolls of bearing, birthing, and becoming a mother, which is an action and very inspirational. Feelings are reactions to outside stimulation while love is an inward giving action. True love does have feelings but also requires the presence of action.

Jesus gave us the model of true love and then passed it on to His disciples, who like him, gave up their lives to demonstrate the meaning of true love. This example, which is 2000 years old, and has led men and women to follow his lead and give up their lives to the service of understanding and teaching the true meaning of love to all who are willing to give love as an action and not as a reaction.

The rule is simple as mentioned in the gospel today,

**"Love one another as I have loved you."**

### Adult Catechetical Formation

**Come join us on Mondays from 4pm to 5:30pm in the St Joseph Auditorium** to watch renowned scholars on video present on Catholic topics to help us better understand and live out our Faith. No need to RSVP; just show up. Refreshments are generally served at the gathering.

### Altar Servers are needed at both St. Joseph and St. Anthony Parishes.

Altar servers must have received the Sacrament of Baptism and Eucharist and can be between the ages of 8 to 98 (remember Clarence at St. Joseph)! Servers should be mature enough to understand their responsibilities and to carry them out well and with appropriate reverence. Open to men and women, boys and girls. Altar serving is an equal opportunity ministry. Since the role of server is integral to the normal celebration of the Mass, at least one server should assist the priest. On Sundays and other more important occasions, two or more servers should be employed to carry out the various functions normally entrusted to these ministers. **Please contact the Parish Office if interested.**

### Purchase a Commemorative Brick in Our Courtyard

Be a Part of Our History – St. Joseph Church is offering you an opportunity to purchase custom bricks that cross the grounds and forge the walkways of our HOLY FAMILY MEMORIAL GARDEN.

#### Guidelines for Brick Order:

Bricks can be inscribed with your family's name, or in memory of a departed loved one, or any inscription of your choice (subject to approval). **A contribution of \$50.00 for each brick** will enable you and your loved ones to be remembered. Bricks are engraved with one, two, or three lines of text. There are 17 characters on each line; this includes the blank spaces between words. **Alumni Bricks** have "Class of 19..." on a line below the name (St. Joseph graduates only).

**Memorial Bricks** have "In Memory of" on a line above the name.

**Name Bricks** have the name engraved as you designate.

**Family Bricks** have "Family" on a line below the name. Bricks are installed after they have been paid in full and received from the manufacturer.

You can pick up an order form from the Parish Office or on our website by clicking on the link to fill out the form and drop it off with your payment to the Parish Office.

### Act of Spiritual Communion

My Jesus,  
I believe that You are present in the Most Holy Sacrament. I love You above all things,  
and I desire to receive You into my soul.  
Since I cannot at this moment receive You sacramentally, come at least spiritually into my heart.  
I embrace You as if You were already there and unite myself wholly to You.  
Never permit me to be separated from You.  
Amen.

ARCHDIOCESE OF  
**NEW ORLEANS**

**MEDIA RELEASE**  
**FOR IMMEDIATE RELEASE MAY 8, 2025**

## LPI Partners with Archdiocese of New Orleans to Launch New Chapter for *Clarion Herald*

New Berlin, Wis. — LPI is thrilled to announce a new partnership with the Archdiocese of New Orleans to support the *Clarion Herald* — the official Catholic newspaper of the archdiocese — with state-of-the-art printing and expert advertising services.

This collaboration marks an exciting new chapter in the publication’s longstanding tradition of Catholic journalism, following the conclusion of its in-house print production starting June 2025. Beginning July 1, 2025, LPI will manage the printing of and advertising in the *Clarion Herald*, ensuring its legacy of excellence continues while embracing innovative opportunities for the future.

“We’re honored to partner with the Archdiocese of New Orleans in supporting the *Clarion Herald*’s mission of evangelization and Catholic storytelling,” shared Matt Inkmann, Vice- President of Ad Sales for LPI. “With a deep commitment to parish communication and Catholic publishing, LPI brings decades of experience in advertising sales, modern printing technology, and digital communication tools to share their mission. Together, we’ll help the *Clarion Herald* thrive in print and in the digital space.”

A key component of this partnership is LPI’s print and digital advertising service, which will fully offset the cost of printing for the Archdiocese of New Orleans. Thanks to this service, the *Clarion Herald* can continue delivering important news and stories to its readers without placing additional financial demands on the archdiocese — a meaningful benefit for the local Catholic community.

“We are truly excited about the new partnership between the Archdiocese of New Orleans and LPI,” said Sarah McDonald, Director of Communications for the Archdiocese of New Orleans. “While we know we must focus on a ‘digital first model’ to tell our story in real time, this partnership will allow us to continue sharing the local, regional, and global Catholic news and features in print every two weeks for our loyal *Clarion Herald* readers. This is taking two things that are so familiar (the *Clarion Herald* and the parish bulletin) and bringing them together in an innovative way to celebrate the beauty, tradition, and inspiration that is the Catholic Church in New Orleans.”

Print remains a vital part of any successful communication strategy, particularly within the Catholic Church, where parishioners of all ages rely on tangible, trusted sources of information and inspiration. By partnering with LPI, the *Clarion Herald* will not only maintain its cherished print edition, available in over 100 parishes and Catholic institutions, but will also position itself to grow its digital presence through the use of

[ParishesOnline.com](https://www.parishesonline.com). LPI’s team is committed to helping the *Clarion Herald* expand its reach through integrated communication tools, multi-platform content, and expert guidance in navigating the Church’s digital future.

The *Clarion Herald* will continue to be available both in print and online, delivering the voices of clergy, religious, and laypeople throughout the archdiocese. As the Archdiocese of New Orleans transitions into this next phase, LPI is proud to support its mission of faith, connection, and Catholic community.
