**Congratulations to Lemm and Dolores Bauer on the  
Blessing of their 68<sup>th</sup> Wedding Anniversary by Fr.  
Rick Day on Sunday, June 22<sup>nd</sup>.**

**Newly ordained Deacon David Kalil celebrated his first mass with Fr. Gary at St. Anthony Church on Monday, June 16<sup>th</sup>.**

St. Joseph is in need of Extraordinary Ministers of Holy Communion and Readers at our weekend Masses. Training is available to prepare one for this ministry. In the Catholic

Mass, the role of Extraordinary Ministers of Holy Communion (EMOHCs) is a vital ministry that ensures the reverent and orderly distribution of the Eucharist. This ministry is not merely a functional role, but a profound act of service and devotion, reflecting the deep reverence for the Body and Blood of Christ. Understanding the responsibilities and significance of EMOHCs can deepen our appreciation for this ministry and inspire those called to serve.

The Purpose and Need for Extraordinary Ministers to assist in the distribution of Holy Communion when there are not enough ordained ministers (bishops, priests and deacons) to serve the congregation. This need often arises in parishes with large congregations or during special liturgical celebrations where the number of communicants is particularly high. The term "extraordinary" highlights that this role is supplementary and not a replacement for the ordinary ministers of Holy Communion. Please contact Fr. Gary or the Parish Office for more information.

**Faith**

In the readings for yesterday and today we hear of the Faith of the apostles and the way Jesus questioned them in regard to their faith in him and his mission.

Today, right now will we pass their test? Are we willing to live the life he has asked of them and us? Hopefully, we will not be asked to give up our lives but there are some difficult requests we are asked to fulfil.

First, what is faith? It can be defined as a complete trust of confidence in someone or something. Most of us have a strong belief that our automobile will start, or our house lights will come on when we flip the switch. Those are things we can touch and take care of. But what about safety or our health. These are things that we must have confidence in because of people who are skilled in those fields. What about someone, like ourselves, who are as human as we are and who we have just met and do not know? It takes time for us to become comfortable with in personal matters.

How, do we reach this relationship with God who we cannot touch and know only through books and teachings and only see in pictures?

St. Peter and St. Paul had direct contact with Jesus and spread his faith to all who would listen. Have we taken the time and effort to listen? Faith is the thing that brought us to church, but do we take it with us as we leave? Do we practice this virtue that Jesus is teaching us when we are kind to the people we know well and those who we do not know? Do we spend time getting to know Jesus better during our daily activities? Faith is a gift that we receive by study and practice which is developed over time.

Most importantly faith is given and received just as love is given and received because both involve actions.
