January is Poverty Awareness Month

Did you know that 1 in 6 Americans and 1 in 5 children live in poverty, and 1 in 7 households in America do not know where their next meal will come from? According to the US Census data, that means that 39.7 million people live at or below the poverty line. And New Mexico has the second highest rate of poverty in the US. Many families are struggling but you can help magnify the voice of people who are poor or vulnerable. What can you do? Start exploring Poverty USA and help awaken others to the struggles of people living in poverty and the inspiring ways in which they are spreading hope. Work to understand the issues and help others understand as well. Take action in your community. Give your attention, time, and resources. Contemplate and pray for change. The road starts here!

Take up Pope Francis' challenge to go to the peripheries by participating in Poverty Awareness Month in January. As Catholics, we are called to respond to this immense human suffering! Learn how you can help at www.povertyusa.org. Download a daily reflection calendar for the month of January that has links to stories and prayers of how you can help! In addition to the calendar are [longer daily reflections](#). A new [liturgical aid](#) for Jan. 27, 2019 is available to help Catholics reflect on the Sunday readings in light of Poverty Awareness Month. The aid includes homily help, Prayers of the Faithful, bulletin text, activity ideas, and an option for celebrating the Mass *For the Progress of Peoples*. You can also sign up to [receive the daily reflections by email](#). Get more resources at <https://povertyusa.org/teach> and be part of the solution! Share these materials with Catholics in your diocese and follow the action on [Facebook](#) and [Twitter](#). If you would like to schedule a presentation about poverty awareness, contact Rachel Baca at 505-831-8235 or justice2@archdiosf.org

Jan. 1 is Annual World Day of Peace: Resource for parishes

The theme for Pope Francis' World Day of Peace message for 2019 is "Politics Must Serve Peace." Join Pope Francis' effort to promote world peace by planning a prayer service for World Peace Day on January 1. USCCB will have a two-page handout to share with parishes, families, and schools, to encourage them to celebrate with Pope Francis. National Migration Week Jan. 6-12: *Building Communities of Welcome*

For nearly a half century, the Catholic Church in the United States has celebrated National Migration Week, which is an opportunity for the Church to reflect on the circumstances confronting migrants, including immigrants, refugees, children, and victims and survivors of human trafficking. The theme for National Migration Week 2019, *Building Communities of Welcome*, draws attention to the fact that each of our families have a migration story, some recent and others in the distant past. Regardless of where we are and where we came from, we remain part of the human family and are called to live in solidarity with one another. Unfortunately, we often fail to encounter migrants as persons. We do not take the time to engage migrants in a meaningful way, as fellow children of God, but remain aloof to their presence

and suspicious or fearful of them. During this National Migration Week, let us all take the opportunity to engage migrants as community members, neighbors, and friends. To do so, we will look at the important role that foster care plays in the lives of unaccompanied immigrants and refugees, highlight MRS' Parishes Organized to Welcome Refugees, and examine local initiatives that are making important contributions in this regard. Visit justiceforimmigrants.org/take-action/national-migration-week/ for a tool kit, a poster and a prayer card that can be copied for use in your ministries. Plan a prayer service or other actions in your parish!

Poverty USA/Pobreza USA

Did you know PovertyUSA has a curriculum for talking to kids and young adults about poverty? [Check out the ready-made handouts, lessons, reflections, and exercises](#) to help introduce the root causes of poverty, how it impacts real people every day, and how we are called to work for an end to poverty together. Or you can contact Rachel Baca, our CCHD intern, for an interactive presentation on poverty and Catholic social teaching, using Poverty USA material (see box).

Quote of the Month from Pope Francis

Pope Benedict XVI noted that "every Christian is called to practise charity in a manner corresponding to his vocation and according to the degree of influence he wields in the *pólis*... When animated by charity, commitment to the common good has greater worth than a merely secular and political stand would have..." This is a programme on which all politicians, whatever their culture or religion, can agree, if they wish to work together for the good of the human family and to practise those human virtues that sustain all sound political activity: justice, equality, mutual respect, sincerity, honesty, fidelity...Every election and re-election, and every stage of public life, is an opportunity to return to the original points of reference that inspire justice and law. One thing is certain: good politics is at the service of peace. It respects and promotes fundamental human rights, which are at the same time mutual obligations, enabling a bond of trust and gratitude to be forged between present and future generations

-Pope Francis, [Message for 52nd World Day of Peace](#) (Jan. 1, 2019)

Reflection

In his address, the Holy Father addresses all the young people of the world — believers and non-believers — encouraging them to discover the characteristic values of youth. It recognizes their willingness to serve others and invites them to put this attitude into practice from a Christian perspective: "To be at the service of others does not only mean to be ready for action. It means also to be in conversation with God with an attitude of listening, just like Mary. She listened to what the angel said to her and then she responded," says the Holy Father.

<https://www.vaticannews.va/en/pope/news/2018-11/pope-francis-message-to-young-people-for-world-youth-day.html>

- ◆ In this New Year of 2019, do I have an attitude of listening in our conversation with God?
- ◆ How am I responding to God's call to put my faith in Christ into practice?

Prayer for the PMD

Almighty God, we give you thanks for blessing us with dedicated men and women willing to serve our parishes through the Pastoral Ministries

Division of the Archdiocese of Santa Fe.

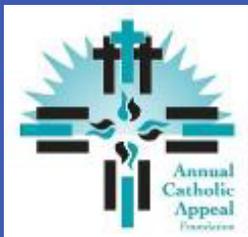

We ask you, Lord, to bless their commitment to serve the whole People of God, which they have pledged in their hearts and in their work.

Grant them a renewed dedication to the message of the Gospel. Give to each the grace and strength of the Holy Spirit which empower them for their duties and bring the work of their

Hands to great fruitfulness.

We ask this through Christ our Lord.

Amen.

The Archdiocese of Santa Fe entered into Chapter 11 Reorganization during the first week of December, 2018. The utmost concern is for the victims of abuse. Our prayers are with them.

The Annual Catholic Appeal Foundation is not part of the Chapter 11 filing. ACA is separately incorporated and funding is not available for legal claims. ACA remains a significant source of funding for the ministries and services of the Archdiocese of Santa Fe throughout this process and beyond. Christ's loving work must endure through this.

Thank you for continuing to support these efforts.
