From the Principal's Desk:

Dear STM families,
Last Saturday, February 23rd, was the 21st annual Chili for Charity sponsored by the Knights of Columbus. We hope you were able to attend and taste all the delicious chili! That same day our 8th graders competed in the regional History Fair in DeKalb. I am proud to say that 17 of them will be moving on to the State competition!! Congratulations to everyone for their hard work! This past Wednesday we took Spring photos. As soon as the photography company has the pictures ready they will send us the proofs so you can order your pictures. On February 21st we had the third annual McTeacher Night at the Larkin McDonald's. We collected almost \$1,000 that night! This money will be used by the teachers so that they can purchase items for their classrooms. Thank you to everyone who attended it and helped to support our school and our teachers; it is deeply appreciated! Last Friday our 7th and 8th graders attended Here I Am Lord at St. Patrick's. On that same day, the 5th and 6th graders went to the Field Museum in Chicago. All groups learned a lot and had some fun. This Thursday, March 7th, the Student Council is sponsoring Crazy Hair Day! For \$1 students can come to school with their hair done crazy or they can wear a crazy hat. I hope everyone has a perfect weekend. Happy Birthday, Dr. Suess!

Blessings,
Mrs. Sonja Keane

21st Annual Chili for Charity

The Elgin Knights of Columbus hosted their 21st Annual Chili for Charity last Saturday at STM. The event attracted many competitive chili cooks and attendees. STM's own kindergartener Lottie R. won 3rd place for decorations and first grader Elizabeth L. won 2nd place for her chili. Great job, ladies!

STM is looking for input into the date for the **Color Run**.

Here I am Lord

STM 7th and 8th graders attended Here I Am Lord National Vocations Conference at St. Patrick's in St. Charles. The conference provided vocation awareness for the students. Catholic speakers and musicians joined together to share the joy of their vocation and faith. Students were able to meet and speak with Religious Brothers and Sisters from various communities. The students learned a lot and had a great time!
