From the Principal's Desk:

Dear STM families,

I hope everyone had a wonderful and blessed Easter. The weather on Easter Sunday was heavenly, but I understand it is going to turn again (they're saying snow this weekend!). On that note, please be sure your child is dressed appropriately for the weather every day. Yesterday after school we took pictures of all the groups for the yearbook – all sports teams, band, patrol, student council, altar servers, and youth choir. If you are interested in purchasing this group picture and did not get an envelope yesterday at the photos, we do have more envelopes available. Please let us know and we will send one home for you. Tonight from 6-8 PM is our Student Council Family Sock Hop. Please see the attached flyer for more information. We hope you can all attend! This Sunday is the Father-Son Dodgeball event starting at 1:30 PM. Hope all our fathers and sons can make it out to have a great time. Please mark your calendars for the First Annual Fine Arts Festival here at STM being held on Thursday, May 2, from 7-8 PM. We will have artwork from each of the students on display and the band will be playing for us as well. We hope you can attend and bring your families and friends along. There are a lot of fun and exciting activities coming up in May. Keep an eye out for them. Thank you for all your continued support of our superb school! Have a fabulous weekend.

Blessings,
Mrs. Sonja Keane

NCEA Convention

The teachers and administration attended the NCEA (National Catholic Educational Association) convention last Tuesday held at McCormick Place in downtown Chicago. They learned many new and exciting ideas to bring back to STM for planning for the next school year.

8th Grade Passion Play

Last week our 8th grade students presented the Passion Play for the school, the parish, and for the RE classes. This play is a tradition at the school during the Lenten season. It began approximately 28 years ago by Mrs. Craig and the then Music teacher, Mrs. Nichols. It has been performed by the 8th grade class every year since. We hope you were able to see this moving rendition of the stations.

STM Student Council Talent Show

Last week the Student Council sponsored the second annual Talent Show. Students from a variety of grades performed for the entire school and some parents demonstrating their gifts and talents. It was a wonderful production!
