Saint Project

Each year our fifth grade class learns about the lives of saints. After an initial introduction, each student selects a saint to study in depth. They research their chosen saint, write a report, and then bring their learning to life by transforming a faux pumpkin into a creative likeness of their saint. These extraordinary projects are now on display in the hallway for the entire school to enjoy.

Honoring Veterans

STM proudly continued its tradition of honoring Veterans Day by recognizing the veterans within our school and parish community. The day began with an

All-School Mass, followed by a special celebration in the gym. Students and staff shared patriotic songs and read a special poem. Afterwards, students shook hands with veterans and thanked them for their service.

Food Collection

The STM Student Council turned fun into service by hosting a Jersey Day ahead of Thanksgiving. Students were invited to wear their favorite sports jersey to school in exchange for donating a canned good to a local food pantry. Thanks to their generosity, the event was a great success and provided meaningful support to those in need within our community.

Fall Dance

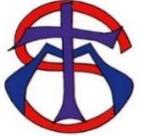

Earlier this month, many of STM School's 7th and 8th graders, along with staff, wore western wear and boots to host a Fall Dance for their deanery cohorts. The evening included great music, delicious treats, and plenty of laughter.

From the Principal's Desk:

Dear STM families,

Last week we officially began the second trimester of this school year. Report cards were published last Friday. We held Parent Teacher conferences this past Monday and Tuesday. If you missed your conference time, please reach out to your child's teacher. There is no school on November 26th -28th in observance of the Thanksgiving holiday. Classes will resume on Monday, December 1st. Please be sure to volunteer to help out at some events throughout the school year. Many hands make light work, and all our children benefit! All volunteer links can be found on your Family Portal under Announcements. Please mark your calendars for Tuesday, Dec. 9th, for the PTO's annual Christmas party. Please see the attached flyer for more information. The final raffle ticket drawing was held. Please see the video on our [Facebook](#) page. Congratulations to all our winners! Have an amazing and beautiful weekend and a happy and blessed Thanksgiving!

Blessings,
Mrs. Sonja Keane
