Donuts with Dad

Thanks to the STM Student Council students got to start a day last week with their dads, grandfathers, and uncles. The event, Donuts with Dad, provided the attendees with a wide variety of donuts, juice, coffee, and conversation.

Earth Day Activity

In honor of Earth Day students in 5th and 7th grades gathered trash and recycling from around the STM campus. The clean-up engaged the students in a civic action that helps to fight pollution and keep our planet healthy for future generations.

Hope for Haitians

Thank you to everyone who donated to Hope for Haitians this year. A LOT of boxes were collected in the school office from everyone who participated. It is absolutely a blessing. Many Haitian children will be able to attend school because of the money students donated. STM School's support helps the Hope for Haitians mission for providing hope and dignity to the poorest of the poor in Haiti.

NEW Track Team

STM School has a new sports program! Students in grades 4th - 8th can join the STM track team. The new spring sport includes running races (including relay and hurdles), long jump, shot put, and discus.

From the Principal's Desk:

Dear STM families,

This Friday we have a STM Spirit Wear Day. Students can be out of uniform if they show some STM pride by wearing their STM spirit wear. Please note the last events coming up for this school year: the Mother-Daughter brunch, the Father-Son event, and Field Day. These events are all only possible with volunteers. We are also always looking for parents to assist at lunch/recess time. Be sure to complete your 5 hours minimum of volunteering time per parent before the end of the school year. This upcoming week is Teacher/Staff Appreciation Week. Please see the attached schedule of events planned by the PTO to see the theme for each day and how you can let the teachers and staff know you appreciate all that they do. Our annual Spring Bookfair ends tomorrow. Thank you to everyone who purchased books. All funds are put toward more books for our library. Thank you for all your continued support of our amazing school! Have a blessed weekend.

Blessings,
Mrs. Sonja Keane
