Sidewalk Art Welcome

Students, families, faculty, and staff were all welcomed back to a new school year with artistic and inspirational sidewalk chalk drawings. A huge thank you goes out to our amazing PTO who carries on this tradition every school year. The night before the first day of school, parent volunteers create drawings to excite and inspire students for the school year ahead.

School Blessing

Last week, during the teachers' in-service, Fr. Dario walked through the entire school building and blessed with holy water the classrooms, school grounds, and people present. He said prayers for a blessed and productive school year. Normally the blessing occurs during the first week of school when students are in attendance, but Fr. Dario's travel schedule prohibited it this year.

From the Principal's Desk:

Dear STM families,

Welcome back! I hope everyone had a pleasant and relaxing summer. This school year we have approximately 32 new families that have joined our STM family. I would like to extend a heartfelt welcome to all of them! We are so delighted to be back at school with the students beginning a new school year, especially after the two week delayed start. It was incredible to see all their smiling faces on the first day of school, as well as the parents! Thank you to our extraordinary PTO for starting our school year off again with remarkable sidewalk chalk art! We also started the school year with a backpack blessing for all our students by Fr. Willie at our first All School Mass. I would like to remind everyone that our Parent Night is Tuesday, September 9th, beginning at 6 PM in the gym. Please be sure to attend to gather some information, meet the teachers, and see the classrooms – as well as the new floors! Your support of our school and your child's education is what makes this school so magnificent. I truly believe in the partnership between home and school. We have the Walk-a-thon, Bingo, and Grandparents Day all coming up soon so please be sure to watch your email and your child's backpack for more information. It is going to be a glorious school year! Have a very blessed and healthy week.

Blessings,
Mrs. Sonja Keane
