## A LETTER FROM FR. DAN

When I first found out there was a possibility to return to seminary and study for the Archdiocese of New Orleans, the first thing that came to mind was **Mardi Gras**. After all, it is one of the many quintessential New Orleans events. However, this Floridian had no idea the extent of the carnival season. Though Mardi Gras is only one day, I was unaware of all the parades and celebrations that lead up to Fat Tuesday. With this comes the debaucherous stereotypes that surround Mardi Gras. I had a lot to learn.

This will be my fifth celebration of the carnival season since moving to Louisiana. The euphoria of screaming for beads and celebrating alongside friends still excites me. Whether you go to any parades or not, we should embrace the carnival spirit. Lest we forget, underneath all the pomp and circumstance lies a Catholic celebration.

The very word “carnival” is derived from the Latin word *carnelevarium* which is literally translated as “goodbye to meat.” We cannot forget amidst this rather gluttonous celebration that the season of Lent is around the corner when we *enter the desert*. The mood transitions from celebration to somberness. Ash Wednesday made all the more sense as I was consuming King Cake up to 11:59 p.m. on one Mardi Gras a few years ago.

The moral of the story: enjoy these remaining days of carnival -- with the virtues of prudence and temperance, of course. For those of us, myself included, who will be at the parades, be safe and enjoy some great fun with delicious food, good music, and quality time with family and friends. Don't forget that Ash Wednesday approaches when we shall repent, fast, and pray.

Know that Fr. Beau and I pray for you daily.

## Rice Bowls

**2020 Rice Bowls will be available on Ash Wednesday, February 26, 2020.** Please return to church by Palm Sunday, April 5, 2020.

## St. Joseph's Altar

Whatever the reasons people become involved in St. Joseph Altars, the tradition still centers on the family. The family comes together to work, pray, and celebrate. The most solemn ritual of the altar, the Tupa Tupa, is having children enact the roles of the Holy Family. The children are always involved because it is through them that the customs and traditions will continue for future generations. This devotion will help the children grow closer to God, learn the art of building an altar and instill in them the desire to carry on the tradition.

Keep watching our St. Joseph's Altar Corner of the Parish bulletin to learn more about why you will want to become involved in our St. Joseph's Altar Ministry here at St. Angela Merici! You can pick up a Schedule of Events for upcoming cookie making, rosary making, etc. activities in the church hallways. Please join us for some fun and fellowship! If you have any questions, please contact Janet Cruppi at 504-338-2957, or Renee Lauland at 504-371-2101.

### **Did you know...**

Many families believe that building a St. Joseph Altar will bring good fortune. It is common to hear stories about favors granted, illnesses cured, and loved ones returning home safely.

# 2020 LENTEN GUIDE

## Penitential Disciplines of Lent

The Christian faithful, during Lent, are clearly conscious of the need to turn the mind towards those realities which really count, which require Gospel commitment and integrity of life which, through self denial of those things which are superfluous, are translated into good works and solidarity with the poor and needy (*Directory on Popular Piety and the Liturgy*, #125).

In addition to choosing their own penitential practices, Catholics are also asked to observe the practices of fast and abstinence during the 40 days of Lent. The Lenten Fast and Abstinence Regulations are as follows:

1. Everyone 14 years of age or over is bound to abstain from meat on Ash Wednesday and all the Fridays of Lent.
2. Everyone 18 years of age and under 59 years of age is bound to fast on Ash Wednesday and Good Friday. (The obligation of fasting ceases with the celebration of one's 59th birthday.)
3. On Ash Wednesday and Good Friday, only one full meatless meal is allowed. Two other smaller meatless meals, sufficient to maintain strength, may be taken according to each one's needs, but together they should not equal another full meal. Eating between meals is not permitted on these two days, but liquids, including milk and fruit juices are allowed. When health or ability to work would be seriously affected, the law does not oblige.
4. Catholics should not lightly excuse themselves from these prescribed minimal penitential practices.

## Reflection of the Week

### ASH WEDNESDAY

Prayer, fasting, and almsgiving: these disciplines, prescribed by Jesus himself in the Sermon on the Mount, along with strict instructions not to flaunt them in public to win recognition and praise (Matthew 6:1-18), have been embraced by all the saints at the beginning of every Lent for almost two thousand years. But mention Lent, and many react with a grimace or slight shudder—even now, years after official obligations have been reduced to a minimum! No wonder the Eastern Rite’s “Lenten Announcement” sounds surprising: “Let us receive with joy, O faithful people, the divinely inspired announcement of Lent! The Lenten Spring shines forth! Begin the fast with joy! Let us fast from passions as well as food, taking pleasure in the good works of the Spirit, and accomplishing them in love!” Saint John Chrysostom, whose feast is September 13, elaborates: “Do you fast? Give proof by your works. If you see a poor person, take pity. An enemy, be reconciled. A friend gaining honor, don’t be jealous.” A positive approach! May the saints help us keep such a Lent!
