A LETTER FROM FATHER BEAU

Dear Parishioners,

I wanted to address a current concern about the coronavirus. I have had a few parishioners share concerns about the spreading of coronavirus in the Mass, wondering if we are going to suspend the distribution of the Precious Blood of Christ in the chalice and direct the parish to suspend the Sign of Peace.

The Archbishop is **not** mandating the suspension of the Precious Blood and the Sign of Peace at this time, but has left this decision to the discretion of the pastor of each parish. He has stated that “if the situation gets more serious, we may enact restrictions through the Archdiocese of New Orleans.” He strongly recommends that each Extraordinary Minister of Holy Communion wash their hands thoroughly before Mass, and has additionally recommended that extraordinary ministers use an alcohol based anti-bacterial solution before Mass begins. We have made alcohol based anti-bacterial solutions available in the place where extraordinary ministers sign in before Mass.

Additionally, the Archbishop stated that the sick or those who have symptoms of illness do not have an obligation to attend Mass. He stated that it can be an act of charity to stay home when you are sick or have symptoms of illness.

For the time being, we will still offer the Precious Blood and the Sign of Peace at St. Angela unless the Archbishop directs us to refrain. I want to remind everyone that if a mass participant would rather not exchange the Sign of Peace, they can simply nod their head toward a fellow parishioner. Additionally, I want to remind everyone that when we receive the Body **or** the Blood of Christ, we receive the fullness of Jesus.

The Archbishop reminds us to keep this situation in our prayers, especially those that have been personally affected.

If you have any questions, don't hesitate to call my office. Know that Fr. Dan and I pray for you daily.

PARISH EVENTS

St. Joseph's Altar

To serve is to love. Hunger is not always for a piece of bread but sometimes a hunger to be loved. Come show your love for others by helping to build the Fifth Annual Parish Family St. Joseph Altar. The proceeds from the altar go to feed those in need, come feed your spirit by serving others. As Mother Teresa of Calcutta said, "You can do what I cannot do. I can do what you cannot do. Together we can do great things." Bring your special gifts and find the peace and joy that comes from loving and serving others.

Our St. Joseph Altar will take place on Wednesday, March 18, 2020, from 6:00 p.m.-8:30 p.m., with the candlelight rosary at 7:00 p.m., and Thursday, March 19, 2020, from 10:00 a.m.-8:00 p.m., with the blessing of the altar at 10:30 a.m. and free meal from 11:15 a.m. until 7:00 p.m.

Keep watching our St. Joseph's Altar Corner of the Parish bulletin to learn more about why you will want to become involved in our St. Joseph's Altar Ministry here at St. Angela Merici! If you have any questions, please contact Janet Cruppi at 504-338-2957, or Renee Lauand at 504-371-2101.

Did you know...

Each of us, through the gifts given to us by God, is a witness and a living instrument of the mission of the Church. We are not all capable of doing great things, but we can all do small things with great love.

2020 LENTEN GUIDE

Penitential Disciplines of Lent

The Christian faithful, during Lent, are clearly conscious of the need to turn the mind towards those realities which really count, which require Gospel commitment and integrity of life which, through self denial of those things which are superfluous, are translated into good works and solidarity with the poor and needy (*Directory on Popular Piety and the Liturgy*, #125).

In addition to choosing their own penitential practices, Catholics are also asked to observe the practices of fast and abstinence during the 40 days of Lent. The Lenten Fast and Abstinence Regulations are as follows:

1. Everyone 14 years of age or over is bound to abstain from meat on Ash Wednesday and all the Fridays of Lent.
2. Everyone 18 years of age and under 59 years of age is bound to fast on Ash Wednesday and Good Friday. (The obligation of fasting ceases with the celebration of one's 59th birthday.)
3. On Ash Wednesday and Good Friday, only one full meatless meal is allowed. Two other smaller meatless meals, sufficient to maintain strength, may be taken according to each one's needs, but together they should not equal another full meal. Eating between meals is not permitted on these two days, but liquids, including milk and fruit juices are allowed. When health or ability to work would be seriously affected, the law does not oblige.
4. Catholics should not lightly excuse themselves from these prescribed minimal penitential practices.

Saint of the Week

SAINT FRANCES OF ROME (1384-1440)

March 9

Nature and human nature—plagues and wars—turned late medieval Rome into a living hell, particularly for the sick and poor. Frances, by birth and marriage well provided for, was a devoted wife and mother; but like Benedictine Oblates, who to this day “pray and work” while living with their families and working in the world, she joined like-minded laywomen friends in ministering to society’s most vulnerable. Frances’ charity was not only “hands on” but “in home.” Her palace became a hospital after the plague claimed two of her three children. When her husband’s death ended their loving marriage of forty years, Frances joined other widowed Oblates in community. In an interesting link to the United States, our nation’s premier religious congregation for women of color, the Oblate Sisters of Providence, in 1833 established bonds of spiritual communion with these Oblates of Saint Frances in Rome. Though Black History Month is past, take a moment to learn about the good work that Mother Lange’s spiritual daughters are doing still and consider supporting them as a Lenten project:

Pro-Life Ministry

SEVENTH MONTH AFTER CONCEPTION

Your spiritually adopted baby continues to grow and mature. Brain waves, though already detectable for over five months, now resemble those of a full-term baby. The baby’s brain is also now capable of controlling his or her own body temperature. In addition, your baby’s bones are strengthening more, and he or she is putting on weight more quickly. The extra fat will improve insulation and provide an energy reserve for the baby following birth. Though birth is not far off, please keep praying for your spiritually adopted baby and his or her mother.

Pro-Life Ministry meeting will be held on March 9th in Conference Room at 9:15 a.m. Please join us for an hour prayerful presence on March 12th at the abortion facility, 2701 General Pershing St., New Orleans. Judy will leaving church parking lot after the 8:30 a.m. Mass.

Our ministry will be showing the movie “Unplanned” again on Wednesday, March 11th at 7:00 p.m. This movie is about a woman who worked at an abortion facility and her journey which led her to become Pro-Life. Please try and make time to join us to watch this film.
