2018 Bishop's Appeal Update

"How good and pleasant it is when God's people live together in unity." (Ps 133:1)

Funds from the Bishop's Annual Appeal are used to directly support our parish family in a variety of ways. For this reason, each and every one of us should feel inspired to give. **To date, we are at 40.5% of our annual pledge goal.** Let us work together to honor our past, enliven our present, and ensure the future of our Catholic community. Please help us sustain programs and ministries by contributing to the 2018 Annual Appeal. If you have been unable to respond to the Appeal, Father will reach out to you soon to ask you to consider a donation.

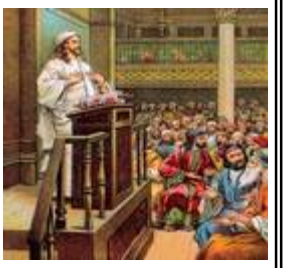
Reflection for this Sunday:

Fourteenth Sunday in Ordinary Time



This Gospel immediately follows upon last week's stories of the raising of Jairus' daughter and the healing of the woman with a hemorrhage. It sets the context of our Gospel readings for the next two weeks in which Jesus will extend the work of his ministry to his disciples.

Today's Gospel describes what many believe to have been the typical pattern of Jesus' ministry: teaching in the synagogue followed by acts of healing. In his hometown of Nazareth, the people are amazed by what they hear, but they also cannot comprehend how someone they know so well might move them so powerfully.

This Gospel tells us that Jesus is hampered from performing miracles in Nazareth because of the people's lack of faith. Jesus is said to be surprised by this and did not seem to foresee this rejection. In this detail we find a description of the very human side of Jesus.

This passage unfolds a continuing theme of Mark's Gospel: Who is Jesus? His kinfolk in Nazareth might know the carpenter, the son of Mary, but they do not know Jesus, the Son of God. Mark is foreshadowing Jesus' rejection by his own people, the people of Israel. While many of the first Christians were Jewish, Christianity took hold and flourished in the Gentile community. Mark's community was mostly a Gentile community, who may have been experiencing persecution. By showing that Jesus himself was rejected, Mark consoles and reassures his first readers. He also prepares us to accept this possible consequence of Christian discipleship.
