ST. BERNARD CHURCH BELL

As everyone is probably aware, the St. Bernard Church building in Norton is for sale. The town of Norton donated the church bell following a fire in 1936 which

destroyed the original church. The town would like to be given the bell to place in their Municipal Building as a memento of St. Bernard's Church. Before Bishop Coyne gives his final approval to donate the bell back to the town of Norton, he wants to be certain that Mater Dei parishioners have no strong opposition to this plan. Please call the parish office at (802) 334-5066 if you have any concerns.
